(the “*Gilmore Hospital*”),

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are Curae Health, Inc. (5638); Amory Regional Medical Center, Inc. (2640); Batesville Regional Medical Center, Inc. (7929); and Clarksdale Regional Medical Center, Inc. (4755); Amory Regional Physicians, LLC (5044); Batesville Regional Physicians, LLC (4952); Clarksdale Regional Physicians, LLC (5311).

In support of the motion, the Debtors rely on and incorporate by reference the *Declaration of Stephen N. Clapp, Chief Executive Officer of Curae Health Inc., in Support of Chapter 11 Petitions and First Day Pleadings* [Docket No. 49] (the “**First Day Declaration**”) and, respectfully, state as follows:

JURISDICTION AND VENUE

1. This court has jurisdiction to consider this motion pursuant to 28 U.S.C. §§ 157 and 1334.
2. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).
3. Venue is proper before this court pursuant to 28 U.S.C. §§ 1408 and 1409.
4. The statutory predicates for the relief sought are 11 U.S.C. §§ 105(a), 363(b) and (f) and 365.

SUMMARY OF REQUESTED RELIEF

5. On August 24, 2018 (the “**Petition Date**”), Amory Regional Medical Center, Inc. (“**Amory**”) commenced a case under chapter 11 of the Bankruptcy Code (the “**Chapter 11 Case**”).
6. The Debtors are operating their businesses and managing their property as debtors in possession, pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

7. No request for the appointment of a trustee or examiner has been made in the Chapter 11 Case, and no committees have been appointed or designated.

8. After exploring their alternatives, the Debtors have determined in their business judgment that the sale of the Gilmore Hospital is in the best interests of the Debtors' chapter 11 estates and their creditors.

9. The Debtors have identified North Mississippi Health Services or its designee (the "***Proposed Stalking Horse***") as the prospective purchaser with the current best and highest offer for the Gilmore Hospital at \$15,000,000.00 (the "***Initial Bid***") (subject to certain adjustments as set forth more specifically in the Gilmore APA (as defined below)).

10. The Debtors intend to market-test the Initial Bid, to determine whether higher or better offers for the Gilmore Hospital can be obtained.

11. The Debtors and the Proposed Stalking Horse have negotiated the terms of the asset purchase agreement for the Gilmore Hospital (the "***Gilmore APA***"), which sets forth the Proposed Purchased Assets (defined below) to be sold.

12. The Gilmore APA contains certain protections the Proposed Stalking Horse and the Debtors have negotiated, to incentivize and compensate the Proposed Stalking Horse for continuing to expend money, time, and effort in connection with purchasing the Gilmore Hospital (the "***Bid Protections***"), notwithstanding that the Initial Bid will be subjected to higher or better offers.

13. In addition, the Debtors and the Proposed Stalking Horse have negotiated certain bidding and auction procedures (the "***Bidding Procedures***"), to enable the Debtors to continue to market the Gilmore Hospital for sale, qualify additional bidders, govern submission of competing bids, and establish a date and location to conduct an auction for the Gilmore Hospital.

14. Once a party is determined to be the successful bidder at the auction, the Debtors will then request final approval from the court for the sale (free and clear of all liens, claims, and encumbrances, which all such liens, claims, and encumbrances attaching to the proceeds of such sale in the same order of validity, priority, and enforceability) to the successful bidder on such terms as may be agreed upon by the Debtors and the successful bidder.

15. To that end, the Debtors seek entry of the proposed “*Sale Procedures Order*” attached to this motion as **Exhibit A** and the proposed “*Sale Order*” attached to this motion as **Exhibit B** (the form of which it has negotiated with the Proposed Stalking Horse) providing for, among other things:

- a. approving the Debtors’ selection of the Proposed Stalking Horse as the stalking horse purchaser for the Gilmore Hospital;
- b. approving the Gilmore APA;
- c. approving the proposed bidding procedures attached as **Schedule 1** to the proposed Sale Procedures Order (the “*Bidding Procedures*”) in connection with a sale of the Gilmore Hospital;
- d. establishing procedures for the assumption and assignment of executory contracts, pursuant to section 365 of the Bankruptcy Code, in connection with the sale of the Gilmore Hospital;
- e. approving the Bid Protections;
- f. scheduling an auction (the “*Auction*”);
- g. approving the form and manner of notice of the Auction attached to this Motion as **Exhibit C** (the “*Auction Notice*”);
- h. scheduling an objection deadline and setting a hearing date to consider final approval of the sale of the Gilmore Hospital; and
- i. granting any related relief.

INTRODUCTION

16. On the Petition Date, each of the Debtors filed a voluntary petition in this Court commencing a case for relief under chapter 11 of the Bankruptcy Code (the “**Chapter 11**

Cases”). The factual background regarding the Debtors, including their business operations and the events leading to the filing of these Chapter 11 Cases is set forth in the First Day Declaration and fully incorporated herein by reference.

17. Amory is a Tennessee nonprofit corporation that owns and operates the Gilmore Hospital. The Gilmore Hospital is a 95-bed hospital, located in Amory, Mississippi, which provides emergency care, intensive care, a wound care center, diagnostics, surgery, and many other inpatient & outpatient medical services, treatments and programs.

18. Debtor Curae Health, Inc. (“*Curae*”) acquired the Gilmore Hospital from Community Health Systems, Inc. (“*CHS*”) in 2017. Following the acquisition, the Gilmore Hospital suffered a dramatic decline in reported net revenue and incurred higher than anticipated operating costs.

19. Given the Gilmore Hospital’s poor performance, accounts payable continued to grow. Several of the Gilmore Hospital’s large vendors began to request payment plans for the older invoices. Some vendors moved to requiring payment before they would deliver supplies or services. Given an impending complete lack of liquidity, the Gilmore Hospital filed for Chapter 11 on the Petition Date along with its debtor affiliates to accomplish an orderly sale of their assets in order to maximize their value and ensure the continued operation of the Gilmore Hospital and the other hospitals for the benefit of the communities they serve. As of the Petition Date, the Debtors had approximately \$3.4 million of cash and cash equivalents. The Debtors’ aggregate liabilities as of the Petition Date are approximately \$96 million.

20. The Debtors engaged in diligent efforts prior to the Petition Date to locate a buyer willing to acquire the Gilmore Hospital and the other hospitals operated by the Debtors. In the Spring of 2018 the Debtors provided marketing materials to numerous parties, including the

Proposed Stalking Horse, and engaged in discussions with those parties regarding a sale of the Gilmore Hospital. Unfortunately, given the Gilmore Hospital's financial distress and stretched payables, no buyer other than the Proposed Stalking Horse was willing enter into a purchase agreement for the Gilmore Hospital, and the Proposed Stalking Horse was only willing to purchase the Gilmore Hospital via a sale pursuant to Section 363 of the Bankruptcy Code. Given the Gilmore Hospital's financial condition and the Sale Milestones (as defined below), Debtors believe it is in the best interests of the estate to proceed with a sale process as soon as possible.

21. On September 29, 2018, the Court entered its *Interim Order (I) Authorizing the Debtors to (A) Obtain Postpetition Secured Financing and (B) Utilize Cash Collateral, (II) Granting Liens and Superpriority Administrative Expense Status, (III) Granting Adequate Protection, (IV) Modifying the Automatic Stay, and (V) Scheduling a Final Hearing* [Docket No. 60] (the “**Interim DIP Order**”). The Interim DIP Order established certain milestones and deadlines that the Debtors must meet with respect to the sale of the Gilmore Hospital, including the following (collectively, the “**Sale Milestones**”):

- a. Delivery of a signed Asset Purchase Agreement for the Gilmore Hospital within 7 days of the Petition Date (August 31, 2018);
- b. The filing of this Motion within 10 days of the Petition Date (September 3, 2018);
- c. Entry of the Sale Procedures Order within 35 days of the Petition Date (September 28, 2018);
- d. The occurrence of an auction for the Gilmore Hospital within 90 days of the Petition Date (November 22, 2018);
- e. Entry of a sale order for the Gilmore Hospital within 100 days of the Petition Date (December 2, 2018); and
- f. The closing of a sale of the Gilmore Hospital within 110 days of the Petition Date (December 12, 2018).

In accordance with the Interim DIP Order and the Sale Milestones imposed upon the Debtors, the Debtors file this Motion.

PROPOSED STALKING HORSE AND GILMORE APA

22. As a result of the Debtors' marketing efforts, the Debtors recently executed the Gilmore APA with the Proposed Stalking Horse for the purchase of the Gilmore Hospital and certain assets necessary for or related to the operation of the Gilmore Hospital (as more fully set forth in the Gilmore APA, the "***Proposed Purchased Assets***").

23. A true and correct copy of the Gilmore APA is attached to this motion as **Exhibit D** and is incorporated in this paragraph by reference.

24. The Debtors propose to sell the Proposed Purchased Assets to the Proposed Stalking Horse (or such other purchaser as determined in accordance with the Bidding Procedures) free and clear of all liens, claims, encumbrances, and other interests.

25. The key terms of the Gilmore APA are as follows:

- a. **Purchase Price:** \$15,000,000 (including \$2,000,000 the Proposed Stalking Horse is placing into an escrow account at Closing), subject to certain adjustments as set forth more specifically in the Gilmore APA
- b. **Proposed Purchased Assets:** Substantially all assets and operations of the Gilmore Hospital
- c. **Closing Date:** On or before December 12, 2018 or the date on which the Proposed Stalking Horse obtains regulatory approval to operate the Gilmore Hospital, whichever is later
- d. **Break-up Fee:** 4.00% of the Initial Bid
- e. **Minimum Initial Overbid:** \$1,000,000
- f. **Bid Increments:** \$100,000

PROPOSED BIDDING PROCEDURES

26. The Debtors are seeking approval of the Bidding Procedures to establish a clear and open process for the solicitation, receipt, and evaluation of third-party bids on a timeline that allows the Debtors to consummate a sale of the Gilmore Hospital and is designed to encourage all prospective bidders to put their best bids forward in order to provide the highest or otherwise best available recoveries to the Debtors' stakeholders.

27. To optimally and expeditiously solicit, receive, and evaluate bids in a fair and accessible manner under the circumstances, the Debtors developed the Bidding Procedures, attached as **Schedule 1** to the proposed Sale Procedures Order.

28. The salient terms of the Bidding Procedures are set forth below:

- a. **Immediate Marketing.** Immediately upon execution of the Gilmore APA and the filing of this Motion, the Debtors may begin marketing the Gilmore Hospital to competing bidders, subject to such bidders executing an appropriate confidentiality agreement.
- b. **Potential Bidders.** To participate in the bidding process or otherwise be considered for any purpose under these Bidding Procedures, a person or entity interested in consummating a sale (a "***Potential Bidder***") must deliver or have previously delivered, if determined to be necessary by the Debtors in their sole discretion, the following documents:
 - i. an executed confidentiality agreement on terms acceptable to the Debtors (a "***Confidentiality Agreement***"), to the extent not already executed;
 - ii. identification of the Potential Bidder and any of the principals, corporate officers, or other representatives that are authorized to appear for and act on behalf of the Potential Bidder with respect to the contemplated transaction; and
 - iii. unless publicly available in a filing under applicable securities laws or regulations, the most current audited and latest unaudited financial statements (the "***Financials***") of the Potential Bidder (or, if the Potential Bidder is an entity formed for the purpose of acquiring the Proposed Purchased Assets (x) Financials of the equity holder(s) of the Potential Bidder or such other form of financial disclosure as is acceptable to the Debtors and their advisors and (y) a written

commitment acceptable to the Debtors and their advisors of the equity holder(s) of the Potential Bidder to be responsible for the Potential Bidder's obligations in connection with the Sale).

- c. **Due Diligence.** Only Potential Bidders whose Financials, the Financials of its equity holder(s), or written commitments, as applicable, demonstrate the financial capability to consummate a transaction for the purchase of the Proposed Purchased Assets shall be eligible to receive due diligence information and access to the Debtors' electronic data room, physical data room, and to additional non-public information regarding the Debtors. **No Potential Bidder will be permitted to conduct any due diligence without entering into a Confidentiality Agreement.** The Debtors will provide to each Potential Bidder that satisfies the foregoing reasonable due diligence information, as requested by such Potential Bidder in writing, as soon as reasonably practicable after such request, and the Debtors shall post all written due diligence provided to any such Potential Bidder to the Debtors' electronic data room. For all Potential Bidders, the due diligence period will end on the Bid Deadline and, subsequent to the Bid Deadline, the Debtors shall have no obligation to furnish any due diligence information.

The Debtors shall not furnish any confidential information relating to the Proposed Purchased Assets, liabilities of the Debtors, or the potential sale of the Proposed Purchased Assets to any person except to a Potential Bidder or to such Potential Bidder's duly authorized representatives, to the extent provided in the applicable Confidentiality Agreement. The Debtors and their advisors shall coordinate all reasonable requests from Potential Bidders for additional information and due diligence access; provided that the Debtors may decline to provide such information to Potential Bidders who, at such time and in the Debtors' reasonable business judgment, have not established, or who have raised doubt, that such Potential Bidder intends in good faith to, or has the capacity to, consummate a transaction to acquire the Proposed Purchased Assets.

The Debtors also reserve the right to withhold any diligence materials that the Debtors determine are sensitive or otherwise not appropriate for disclosure to a Potential Bidder who the Debtors determine is a competitor of the Debtors or is affiliated with any competitor of the Debtors. Neither the Debtors nor their representatives shall be obligated to furnish information of any kind whatsoever to any person that is not determined to be a Potential Bidder that intends in good faith to, or has the capacity to, consummate a transaction to acquire the Proposed Purchased Assets.

- i. **Communications with Potential Bidders.** Notwithstanding anything to the contrary in the Bidding Procedures, all substantive direct communications between and amongst Potential Bidders

shall involve the Debtors and the Debtors' advisors, to the extent reasonably practicable.

- ii. **Due Diligence from Potential Bidders.** Each bidder shall comply with all reasonable requests for additional information and due diligence access requested by the Debtors or their advisors regarding the ability of the Potential Bidder to consummate a transaction to acquire the Proposed Purchased Assets or discussions with other Potential Bidders regarding any topic and with any party regarding the Debtors and/or any of the Proposed Purchased Assets. Failure by a Potential Bidder to comply with such reasonable requests for additional information and due diligence access may be a basis for the Debtors to determine that such bidder is not a Qualified Bidder or that a Bid made by such bidder is not a Qualified Bid.
 - iii. The Debtors and each of their respective advisors and representatives shall be obligated to maintain in confidence any confidential information in accordance with any applicable confidentiality agreement, except as otherwise set forth in the Bidding Procedures. Each recipient of confidential information agrees to use, and to instruct their advisors and representatives to use, such confidential information only in connection with the evaluation of Bids during the bidding process, in connection with a potential transaction to acquire the Proposed Purchased Assets, or otherwise in accordance with the terms of any applicable Confidentiality Agreement.
 - iv. Notwithstanding the foregoing and the provisions contained in any applicable Confidentiality Agreement, the Debtors and the Debtors' advisors may disclose confidential information: (i) with the prior written consent of such Potential Bidder (or Qualified Bidder) and the Debtors; (ii) to the applicable Potential Bidder or Qualified Bidder; and (iii) as otherwise required or allowed by any applicable Confidentiality Agreement with respect to a particular Potential Bidder or Qualified Bidder or other agreement, law, court or other governmental order, or regulation, including, as appropriate, to regulatory agencies.
- d. **Bid Requirements.** A proposal, solicitation, or offer for a purchase and sale of the Proposed Purchased Assets (each, a "**Bid**") that is submitted in writing and satisfies each of the following requirements (the "**Bid Requirements**") as determined by the Debtors, in their reasonable business judgment, in consultation with the Committee, MidCap Financial Trust, and ServisFirst Bank (collectively, the "**Sale Notice Parties**"), shall constitute a "**Qualified Bid**."

- i. **Assets.** Each Bid must clearly state which assets and liabilities of the Debtors that the Qualified Bidders are agreeing to purchase and assume.
- ii. **Purchase Price.** Each Bid must clearly set forth the purchase price in U.S. dollars to be paid for each individual Proposed Purchased Asset subject to the applicable asset package, including and identifying separately any cash and non-cash components (the “*Purchase Price*”).
- iii. **Deposit.** On or before the Bid Deadline, each Bid, other than a credit bid, must be accompanied by a cash deposit in the amount equal to 5% of the aggregate Purchase Price of the Bid, to be held in an interest-bearing escrow account to be identified and established by the Debtors (the “*Deposit*”).
- iv. **Assumption of Obligations.** Each Bid must clearly state which liabilities of the Debtors the bidder is agreeing to assume.
- v. **Qualified Bid Documents.** Each Bid must include duly executed, non-contingent transaction documents necessary to effectuate the transaction(s) contemplated by the Bid and shall include a schedule of assumed contracts, to the extent applicable to the Bid, and all other material documents integral to such Bid (the “*Qualified Bid Documents*”). Such documents must be based on form documents provided by the Debtors (including a summary of each Bid as may be reasonably requested by the Debtors).
- vi. **Committed Financing.** To the extent that a Bid is not accompanied by evidence of the Potential Bidder’s capacity to consummate the transaction(s) set forth in its Bid with cash on hand, each Bid must include unconditionally committed financing from a reputable financial institution documented to the satisfaction of the Debtors that demonstrates that the Potential Bidder has: (i) received sufficient debt and/or equity funding commitments to satisfy the Potential Bidder’s Purchase Price and other obligations under its Bid; and (ii) adequate working capital financing or resources to finance going concern operations for the Proposed Purchased Assets and the proposed transaction(s). Such funding commitments or other financing must be unconditional and must not be subject to any internal approvals, syndication requirements, diligence, or credit committee approvals, and shall have covenants and conditions acceptable to the Debtors.
- vii. **Contingencies; No Financing or Diligence Outs.** A Bid shall not be conditioned on the obtaining or the sufficiency of financing or any internal approval, or on the outcome or review of due diligence,

but may be subject to the accuracy at the closing of specified representations and warranties or the satisfaction at the closing of specified conditions, which shall be acceptable to the Debtors in their business judgment.

- viii. **Identity.** Each Bid must fully disclose the identity of each entity that will be bidding or otherwise participating in connection with such Bid (including each equity holder or other financial backer of the Potential Bidder if such Potential Bidder is an entity formed for the purpose of consummating the proposed transaction contemplated by such Bid), and the complete terms of any such participation. Under no circumstances shall any undisclosed principals, equity holders, or financial backers be associated with any Bid. Each Bid must also include contact information for the specific persons, including financial advisors and counsel, if any, that the Debtors should contact regarding such Bid.
- ix. **Demonstrated Financial Capacity.** A Potential Bidder must have, in the Debtors' business judgment, the necessary financial capacity to consummate the proposed transaction(s) required by its Bid and provide adequate assurance of future performance under all contracts proposed to be assumed by such Bid.
- x. **Time Frame for Closing.** A Bid by a Potential Bidder must be reasonably likely (based on availability of financing, antitrust, or other regulatory issues, experience, and other considerations) to be consummated, if selected as the Successful Bid, within a time frame acceptable to the Debtors, in consultation with the Sale Notice Parties.
- xi. **Binding and Irrevocable.** A Potential Bidder's Bid shall be irrevocable unless and until the Debtors accept a higher Bid and such Potential Bidder is not selected as the Backup Bidder.
- xii. **Expenses; Disclaimer of Fees.** Each Bid, other than the Stalking Horse Purchaser's Bid, must disclaim any right to receive a fee analogous to a break-up fee, expense reimbursement, termination fee, or any other similar form of compensation. For the avoidance of doubt, no Potential Bidder will be permitted to request, nor be granted by the Debtors, at any time, whether as part of the Auction or otherwise, a break-up fee, expense reimbursement, termination fee, or any other similar form of compensation, and, by submitting its Bid, is agreeing to refrain from and waive any assertion or request for reimbursement on any basis, including under Section 503(b) of the Bankruptcy Code.

- xiii. **Authorization.** Each Bid must contain evidence that the Potential Bidder has obtained authorization or approval from its board of directors (or a comparable governing body acceptable to the Debtors) with respect to the submission of its Bid and the consummation of the transactions contemplated in such Bid.
- xiv. **As-Is, Where-Is.** Each Bid must include a written acknowledgement and representation that the Potential Bidder: (i) has had an opportunity to conduct any and all due diligence regarding the Assets prior to making its offer; (ii) has relied solely upon its own independent review, investigation, and/or inspection of any documents and/or the Assets in making its Bid; and (iii) did not rely upon any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied by operation of law, or otherwise, regarding the Assets or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the bidder's Bid.
- xv. **Adherence to Bid Procedures.** By submitting its Bid, each Potential Bidder is agreeing to abide by and honor the terms of these Bidding Procedures and agrees not to submit a Bid or seek to reopen the Auction after conclusion of the Auction.
- xvi. **Regulatory Approvals and Covenants.** A Bid must set forth each regulatory and third-party approval required for the Potential Bidder to consummate the Sale, if any, and the time period within which the Potential Bidder expects to receive such regulatory and third-party approvals (and in the case that receipt of any such regulatory or third-party approval is expected to take more than thirty (30) days following execution and delivery of the asset purchase agreement, those actions the Potential Bidder will take to ensure receipt of such approvals as promptly as possible).
- xvii. **Consent to Jurisdiction.** The Potential Bidder must submit to the jurisdiction of this court and waive any right to a jury trial in connection with any disputes relating to Debtors' qualification of bids, the Auction, the construction and enforcement of these Bidding Procedures, the documents governing the sale of the Proposed Purchased Assets or any Bid or Qualified Bid, and the Closing, as applicable.
- xviii. **Bid Deadline.** Each Bid must be transmitted via email (in .pdf or similar format) so as to be actually received on or before 5:00, p.m. (prevailing Central Time) on November 12, 2018 (the "**Bid Deadline**") by:

1. The Debtors, Curae Health, Inc., Attn: Stephen N. Clapp (steve.clapp@curahealth.org);
2. Counsel to the Debtors, Polsinelli PC, Attn: David E. Gordon (dgordon@polsinelli.com); and
3. Financial Advisors to the Debtors, GlassRatner, Attn: Marshall Glade (mglade@glassratner.com).

e. **Qualified Bidders.**

- i. A “**Qualified Bidder**” is a Potential Bidder whose Financials, the Financials of its equity holder(s), or written commitments, as applicable, demonstrate the financial capability to consummate a transaction for the purchase of the Proposed Purchased Assets, whose Bid is a Qualified Bid, and that the Debtors determine should be considered a Qualified Bidder, in consultation with the Sale Notice Parties. Within one business day after the Bid Deadline, the Debtors’ advisors will notify each Potential Bidder in writing whether such Potential Bidder is a Qualified Bidder.
 - ii. If any Potential Bidder is determined by the Debtors not to be a Qualified Bidder, the Debtors will refund such Qualified Bidder’s Deposit (as defined below), if any, and all accumulated interest on or within three (3) business days after the Bid Deadline.
 - iii. After the Bid Deadline, the Debtors may discuss, negotiate, or seek clarification of any Qualified Bid from a Qualified Bidder. Without the written consent of the Debtors, a Qualified Bidder may not modify, amend, or withdraw a Qualified Bid, except for proposed amendments to increase their consideration contemplated by, or otherwise improve the terms of, the Qualified Bid, during the period that such Qualified Bid remains binding as specified in the Bidding Procedures; provided that any Qualified Bid may be improved at the Auction. Any improved Qualified Bid must continue to comply with the requirements for Qualified Bids set forth in the Bidding Procedures.
 - iv. For purposes of the Bidding Procedures, the Stalking Horse Purchaser shall be deemed Qualified Bidder.
- e. **Right to Credit Bid.** Any Qualified Bidder who has a valid and perfected lien on any of the Proposed Purchased Assets (a “**Secured Creditor**”) and the right and power to credit bid claims secured by such liens, shall have the right to credit bid all or a portion of the value of such Secured Creditor’s claims, within the meaning of section 363(k) of the Bankruptcy Code; provided that a Secured Creditor shall have the right to credit bid its

secured claim only with respect to the collateral by which such Secured Creditor is secured.

- f. **Auction.** If the Debtors receive more than one Qualified Bid for the Proposed Purchased Assets, the Debtors will conduct the Auction, to determine the Successful Bidders with respect to the Proposed Purchased Assets. If the Debtors do not receive a Qualified Bid for the Proposed Purchased Assets, the Debtors will not conduct the Auction.

No later than two (2) business days after the Bid Deadline, at 5:00 p.m. (prevailing Central Time), the Debtors will notify each Qualified Bidder of the highest or otherwise best Qualified Bid or combination of Qualified Bids, for which such Qualified Bidder submitted a Qualified Bid or combination of Qualified Bids, as determined in the Debtors' reasonable business judgment, in consultation with the Sale Notice Parties (the "**Baseline Bid**"), and provide copies of the applicable Qualified Bid Documents supporting the applicable Baseline Bid to each Qualified Bidder. The determination of which Qualified Bid constitutes the Baseline Bid and which Qualified Bid constitutes the Successful Bid may take into account any factors the Debtors reasonably deem, in consultation with the Sale Notice Parties, relevant to the value of the Qualified Bid to the Debtors' estates, including, among other things: (a) the amount and nature of the total consideration (including the amount of cash paid to or remaining in the estates pursuant to the Qualified Bid); (b) the likelihood of the Qualified Bidder's ability to close, and the timing of closing, the transaction(s) contemplated by the Qualified Bid; (c) the net economic effect of any changes to the value to be received by the Debtors' estates from the transaction contemplated by the Qualified Bid Documents; and (d) the tax consequences of such Qualified Bid (collectively, the "**Bid Assessment Criteria**").

The Auction shall take place at 9:00 a.m. (prevailing Central Time) on **November 15, 2018**, at the offices of Polsinelli PC, in Nashville, Tennessee, or such later date and time as selected by the Debtors. The Auction shall be conducted in a timely fashion according to the following procedures:

- i. **The Debtors Shall Conduct the Auction.** The Debtors and their professionals shall direct and preside over the Auction. At the start of the Auction, the Debtors shall describe the terms of the Baseline Bids. All incremental Bids made thereafter for the Proposed Purchased Assets shall be Overbids and shall be made and received on an open basis, and all material terms of each Overbid shall be fully disclosed to all other Qualified Bidders who submitted Bids on the Proposed Purchased Assets. The Debtors shall maintain a written transcript of all Bids made and

announced at the Auction, including the Baseline Bid, all applicable Overbids, and the Successful Bid.

Only Qualified Bidders and their legal and financial advisors, and the members of and advisors to the Sale Notice Parties, and each such parties' respective legal and financial advisors shall be entitled to attend the Auction, and the Qualified Bidders shall appear at the Auction in person and may speak or bid themselves or through duly authorized representatives. Only Qualified Bidders shall be entitled to bid at the Auction.

ii. **Terms of Overbid.** "**Overbid**" means any Bid made at the Auction by a Qualified Bidder subsequent to the Debtors' announcement of the Baseline Bid. Each applicable Overbid must comply with the following conditions:

- A. **Initial Overbid.** If the Proposed Stalking Horse's Initial Bid is the Baseline Bid, the initial overbid shall exceed the Baseline Bid by \$1,000,000. If the Baseline Bid is a Qualified Bid submitted by a Qualified Bidder other than the Proposed Stalking Horse, the initial overbid shall exceed the Baseline Bid by \$100,000.
- B. **Minimum Overbid Increments.** Any Overbid following the initial overbid or following any subsequent Prevailing Highest Bid (as defined below) for the Proposed Purchased Assets shall be in increments of value equal to (or exceeding) \$100,000. The Debtors may establish different overbid increments at the Auction for any portion or combination of the Proposed Purchased Assets, as determined by the Debtors in an exercise of their business judgment, in consultation with the Sale Notice Parties.
- C. **Conclusion of Each Overbid Round.** Upon the solicitation of each round of applicable Overbids, the Debtors may announce a deadline (as the Debtors may, in their business judgment, extend time to time, the "**Overbid Round Deadline**") by which time any Overbids must be submitted to the Debtors.

Subsequent to each Overbid Round Deadline, the Debtors shall announce whether the Debtors have identified, after consultation with the Sale Notice Parties, an Overbid as being higher or otherwise better than the best Bid the Debtors had prior to receiving such Overbid (in each instance, the "**Prevailing Highest Bid**"). The Debtors shall describe to all Qualified Bidders the material terms of any

new Overbid designated by the Debtors as the Prevailing Highest Bid as well as the value attributable by the Debtors to such Prevailing Highest Bid based on, among other things, the Bid Assessment Criteria.

- D. **Overbid Alterations.** An applicable Overbid may contain alterations, modifications, additions, or deletions of any terms of the Bid no less favorable to the Debtors' estates than any prior Bid or Overbid, as determined in the Debtors' reasonable business judgment, in consultation with the Sale Notice Parties, but shall otherwise comply with the terms of these Bidding Procedures.
- E. **Overbids by the Stalking Horse Purchaser.** The Stalking Horse Purchaser shall be permitted to include the full amount of the Break-up Fee in each bid by the Stalking Horse Purchaser for the purposes of comparison to any Overbid, in connection with each round of bidding at the Auction.

- iii. **Consideration of Overbids.** The Debtors reserve the right, in their reasonable business judgment, and in consultation with the Sale Notice Parties, to adjourn the Auction one or more times to, among other things: (i) facilitate discussions between the Debtors and Qualified Bidders; (ii) allow Qualified Bidders to consider how they wish to proceed; and (iii) provide Qualified Bidders the opportunity to provide the Debtors with such additional evidence as the Debtors, in their reasonable business judgment, may require, that the Qualified Bidder has sufficient internal resources or has received sufficient non-contingent debt and/or equity funding commitments to consummate the proposed transaction at the prevailing amount.

iv. **Closing the Auction.**

- A. The Auction shall continue until there is only one Bid that the Debtors determine, in their reasonable business judgment, to be the highest or otherwise best Bid for the Proposed Purchased Assets. Such Bid shall be declared the "**Successful Bid**," and such Qualified Bidder, the "**Successful Bidder**" and at which point the Auction will be closed as to the Proposed Purchased Assets subject to such Successful Bid. The Auction shall not close unless and until all Qualified Bidders have been given a reasonable opportunity to submit an Overbid at the Auction to the then Prevailing Highest Bid. Such acceptance by the Debtors of the Successful Bid is

conditioned upon approval by the Court of the Successful Bid.

- B. For the avoidance of doubt, nothing in these Bidding Procedures shall prevent the Debtors from exercising their respective fiduciary duties under the applicable law.
 - C. The Debtors shall not consider any Bids or Overbids submitted after the conclusion of the Auction, and any such Bids or Overbids shall be deemed untimely and shall under no circumstances constitute a Qualified Bid.
 - D. As soon as reasonably practicable after closing the Auction, the Debtors shall cause the Qualified Bid Documents for the Successful Bid(s) and Backup Bid(s) to be filed with this court.
- v. **No Collusion; Good-Faith *Bona Fide* Offer.** Each Qualified Bidder participating at the Auction will be required to confirm on the record at the Auction that: (i) it has not engaged in any collusion with respect to the bidding or otherwise in connection with the sale of the Proposed Purchased Assets; and (ii) its Qualified Bid and subsequent Overbids are a good-faith *bona fide* offer and it intends to consummate the proposed transaction if selected as the Successful Bidder.
- g. **Backup Bidder.** The Qualified Bidder with the second-best Qualified Bid (the “**Backup Bid**”) at the Auction (if the Auction is conducted) shall be required to serve as a backup bidder (the “**Backup Bidder**”). The Backup Bidder’s Deposit, if any, shall be held in escrow until the closing of the transaction with the applicable Successful Bidder. If the Backup Bidder is the Proposed Stalking Horse, the Proposed Stalking Horse shall serve as the Backup Bidder for only thirty (30) days following the Auction. If a Successful Bidder fails to consummate its Successful Bid, the Debtors may select the applicable Backup Bidder as the Successful Bidder, and such Backup Bidder shall be deemed a Successful Bidder for all purposes. The Debtors will be authorized, but not required, to consummate all transactions contemplated by the Qualified Bid of such Backup Bidder without further order of the Court or notice to any party.
- In such case, the defaulting Successful Bidder’s Deposit, if any, shall be forfeited to the Debtors, and the Debtors specifically reserve the right to seek all available remedies against the defaulting Successful Bidder, including with respect to specific performance.
- h. **Highest or Otherwise Best Bid.** When determining the highest or otherwise best Qualified Bid or Overbid, as compared to other Qualified

Bids or Overbids, the Debtors may consider the following factors in addition to any other factors that the Debtors deem appropriate, in consultation with the Sale Notice Parties: (a) the amount and nature of the total consideration (including the amount of cash paid to or remaining in the estates pursuant to the Bid); (b) the likelihood of the Qualified Bidder's ability to close a transaction and the timing thereof; (c) the net economic effect of any changes to the value to be received by the Debtors' estates from the transaction contemplated by the Qualified Bid Documents; and (d) the tax consequences of such Bid.

- i. **Reservation of Rights.** The Debtors reserve their rights to modify these Bidding Procedures in their reasonable business judgment, in consultation with the Sale Notice Parties, in any manner that will best promote the goals of the bidding process, or impose, at or prior to the Auction, additional customary terms and conditions on the sale of the Proposed Purchased Assets, including, without limitation: (a) extending the deadlines set forth in these Bidding Procedures; (b) adjourning the Auction at the Auction and/or adjourning the Sale Hearing in open court without further notice; (c) adding procedural rules that are reasonably necessary or advisable under the circumstances for conducting the Auction; (d) canceling the Auction; and (e) rejecting any or all bids, Qualified Bids, or Overbids. Provided, however, that the modifications are not inconsistent in any material respect with the Bidding Procedures or the Gilmore APA.
- j. **Consent to Jurisdiction.** All Qualified Bidders at the Auction shall be deemed to have consented to the jurisdiction of this court and waived any right to a jury trial in connection with any disputes relating to the Auction, the construction and enforcement of these Bidding Procedures, and/or the Qualified Bid Documents, as applicable.
- k. **Sale Hearing.** The Debtors respectfully request that a hearing to consider approval of the Sale to the Successful Bidders (the "***Sale Hearing***") take place on or before 11:00 a.m. (prevailing Central Time) on **November 27, 2018**, before the Honorable Charles M. Walker, at the Court, Courtroom 2, 701 Broadway, Nashville, TN. The Sale Hearing may be adjourned from time to time without further notice to parties in interest other than by announcement of the adjournment in open court on the date scheduled for such Sale Hearing or a notice filed with the court, as applicable; provided, however, that if the Proposed Stalking Horse is the Successful Bidder, the Sale Hearing shall not be adjourned without the express written consent of the Proposed Stalking Horse or order of Court. Any objection on any basis to the proposed Sale to the Successful Bidders must be filed with the court no later than **November 20, 2018, at 5:00 p.m. (prevailing Central time)** (the "***Objection Deadline***").

The Sale Hearing may be continued to a later date by the Debtors by sending notice prior to, or making an announcement at, the Sale Hearing. No further notice of any such continuance will be required to be provided to any party.

At the Sale Hearing, the Debtors shall present the Successful Bids to this court for approval.

1. **Return of Deposit.** The Deposit, if any, of the Successful Bidder shall be applied to the respective Purchase Price of such transaction at closing. The Deposits, if any, for each Qualified Bidder shall be held in one or more interest-bearing escrow accounts on terms acceptable to the Debtors in their sole discretion and shall be returned (other than with respect to the Successful Bidder, and the Backup Bidder) on or within three (3) business days after the Auction. Upon the return of the Deposits, if any, their respective owners shall receive any and all interest that will have accrued thereon.

If a Successful Bidder fails to consummate a proposed transaction because of a breach by such Successful Bidder, the Debtors will not have any obligation to return the Deposit, if any, deposited by such Successful Bidder, which may be retained by the Debtors as liquidated damages, in addition to any and all rights, remedies, or causes of action that may be available to the Debtors, and the Debtors shall be free to consummate the proposed transaction with the applicable Backup Bidder without the need for an additional hearing or order of this court.

29. Importantly, the Bidding Procedures recognize the Debtors' fiduciary obligations to maximize the value of the Debtors' estates, and, as such, do not impair the Debtors' ability to consider all qualified bid proposals, and, as noted, preserve the Debtors' right to modify the Bidding Procedures as necessary or appropriate to maximize value for the Debtors' estates.

30. On or within three (3) business days after entry of the Sale Procedures Order, the Debtors will cause the Auction Notice, substantially in the form attached as **Exhibit C**, to be served on the following parties or their respective counsel, if known: (a) the Office of the United States Trustee for the Middle District of Tennessee; (b) the Centers for Medicare and Medicaid Services; (c) the State of Tennessee Department of Health Division of Licensure and Regulation Office of Health Care Facilities; (d) the Mississippi State Department of Health; (e) those parties

listed on the consolidated list of creditors holding the thirty (30) largest unsecured claims against the Debtors; (f) counsel to any official committee(s) established in these cases pursuant to Section 1102 of the Bankruptcy Code; (g) ServisFirst Bank and its counsel; (h) Midcap Financial Trust and its counsel; (i) CHS/Community Health Systems, Inc. and its counsel (j) all Tennessee local counsel having entered a notice of appearance in these cases; (k) the Internal Revenue Service; (l) the Tennessee Attorney General's Office; (m) the Mississippi Attorney General's Office; (n) the United States Attorney's Office for the Northern District of Mississippi, (o) the Tennessee Secretary of State; (p) counterparties to the Contracts ("***Contract Counterparties***") and (q) all parties entitled to notice pursuant to Bankruptcy Rule 2002 and Local Rule 9013.

31. In addition, within five (5) business days of entry of the Sale Procedures Order, the Debtors will publish the Auction Notice, with any modifications necessary for ease of publication, once in the (*Monroe Journal and Daily Journal* (both papers for publishing legal notices in Amory, Mississippi) and shall publish the Auction Notice on the website for these Chapter 11 Cases maintained by BMC Group (www.bmcgroup.com/curaehealth) in order to provide notice to any other potential interested parties.

ASSUMPTION AND ASSIGNMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

32. The Gilmore APA provides that certain executory contracts and unexpired leases will be assumed and assigned, as part of the transaction contemplated by the Gilmore APA.

33. Pursuant to Local Rule 9013-1 or 9075-1, if necessary, on or before October 29, 2018, the Debtors will serve a notice, substantially in the form attached to this motion as **Exhibit E** (the "***Assumption Notice***"), on all parties to executory contracts or unexpired leases identified by the Proposed Stalking Horse or other Qualified Bidder as potentially being assumed and assigned.

34. The Assumption Notice will provide notice of, among other things, (a) this motion and the relief sought, (b) the assumption and assignment of the applicable executory contract or unexpired lease, as applicable, and (c) the proposed cure amount(s) for the applicable executory contract or unexpired lease.

35. In addition, each Assumption Notice will set forth the Debtors' proposed procedures for resolving any disputes regarding the assumption and assignment of any executory contract or unexpired lease (the "*Assumption and Assignment Procedures*").

BASIS FOR RELIEF

I. The Court Should Approve the Forms and Manner of Notice.

36. The Debtors have proposed specific provisions in the Bidding Procedures intended to provide notice of the Bidding Procedures, notice of the Debtors' plan to sell the Proposed Purchased Assets pursuant to the terms of the Gilmore APA, notice of the potential for third-parties to submit competing bids, and notice as to the procedures and deadlines for third-parties to submit competing bids or otherwise present objections to the relief contemplated by the Motion.

37. Pursuant to Bankruptcy Rule 2002(a), the Debtors are required to provide creditors with 21-days' notice of a hearing where the Debtors will seek to use, lease, or sell property of the estate outside the ordinary course of business. Bankruptcy Rule 2002(c) requires any such notice to include the time and place of the auction and the hearing and the deadline for filing any objections to the relief requested therein. The Debtors seek approval of the Auction Notice as proper notice of the Auction. The Debtors submit that notice of this motion and the related hearing to consider entry of the Sale Order, coupled with service of the Auction Notice, as provided for herein, constitutes good and adequate notice of the Auction and the proceedings

with respect thereto in compliance with, and satisfaction of, the applicable requirements of Bankruptcy Rule 2002. Accordingly, the Debtors request that this Court approve the form and manner of the Auction Notice.

II. The Bidding Procedures are fair, designed to maximize the value received for the Proposed Purchased Assets, and are consistent with the Debtors' reasonable business judgment.

38. Courts have made clear that a debtor's business judgment is entitled to substantial deference with respect to the procedures to be used in selling an estate's assets. *See, e.g., In re Cont'l Air Lines, Inc.*, 780 F.2d 1223, 1226 (5th Cir. 1986); *In re Schipper*, 933 F.2d 513, 515 (7th Cir. 1991) ("Under Section 363, the debtor in possession can sell property of the estate . . . if he has an 'articulated business justification.'") (internal citations omitted); *see also Myers v. Martin (In re Martin)*, 91 F.3d 389, 395 (3d Cir. 1996) (explaining that courts usually defer to the trustee's "legitimate business justification" with respect to the "disposition of assets of the estate").

39. The paramount goal in any proposed sale of property of the estate is to maximize the proceeds received by the estate. *In re Nashville Senior Living*, No. 08-07254, 2008 Bankr. LEXIS 3197, at *4-5 (Bankr. M.D. Tenn. Oct. 22, 2008) ("The purpose of procedural bidding orders is to facilitate an open and fair public sale designed to maximize value for the estate."); *see also In re Mushroom Transp. Co., Inc.*, 382 F.3d 325, 339 (3rd Cir. 2004) (debtor-in-possession "had a fiduciary duty to protect and maximize the estate's assets"); *Official Comm. of Unsecured Creditors of Cybergenics Corp., v. Chinery*, 330 F.3d 548, 573 (3rd Cir. 2003) (same); *Four B. Corp. v. Food Barn Stores, Inc. (In re Food Barn Stores, Inc.)*, 107 F.3d 558, 564-65 (8th Cir. 1997) (stating a primary objective in bankruptcy sales is to enhance the value of the estate at hand).

40. To that end, courts uniformly recognize that procedures intended to enhance competitive bidding are consistent with the goal of maximizing the value received by the estate and therefore are appropriate in the context of bankruptcy transactions. *See, e.g., In re Integrated Res., Inc.*, 147 B.R. 650, 659 (S.D.N.Y. 1992) (bidding procedures, such as break-up fees, “are important tools to encourage bidding and to maximize the value of the debtor’s assets”); *In re Fin. News Network, Inc.*, 126 B.R. 152, 156 (S.D.N.Y. 1991) (“court-imposed rules for the disposition of assets are to be enforced strictly in order to provide an adequate basis for comparison of offers, and to provide for an [sic] fair and efficient resolution of bankrupt estates”).

41. The Debtors believe that the proposed Bidding Procedures will continue the prepetition sale process and ultimately promote active bidding from seriously interested parties and will elicit the highest or otherwise best offers available for the Proposed Purchased Assets.

42. The Bidding Procedures will allow the Debtors to conduct the sale and marketing process in a controlled, fair, and open fashion and are designed to encourage participation by financially capable bidders who can demonstrate the ability to close a transaction.

43. Specifically, the Bidding Procedures contemplate an open market process with minimum barriers to entry and provide potentially interested parties with sufficient time to perform due diligence and acquire the information necessary to submit a timely and well-informed bid.

44. Due to the time constraints imposed by Proposed Stalking Horse’s desire to close the sale expeditiously and the financial condition of the Gilmore Hospital, as well as the tight timeframe imposed upon the Debtors by the Sale Milestones, the Debtors believe the Bidding Procedures permit the Debtors to promptly and prudently determine whether third-parties have

interest in performing due diligence and evaluating whether to submit a formal and binding bid for the Proposed Purchased Assets.

45. In addition, the Debtors believe that the proposed Bidding Procedures fairly balance the need to market the Proposed Purchased Assets and market test the Gilmore APA with the desire to minimize the risk of operating losses during any marketing and sale process.

46. In addition, the Bidding Procedures provide Potential Bidders that may have otherwise applicable rights of first refusal (and similar rights) a fair opportunity to effectively exercise those rights by participating in the marketing and sale process.

47. Accordingly, the Debtors should be deemed to have complied with or satisfied any such provisions by conducting a sale pursuant to the Bidding Procedures. *See In re Farmland Indus., Inc.*, 284 B.R. 111, 119-20 (Bankr. W.D. Mo. 2002) (relying on the fact that where the first refusal right holder did not receive notice of the auction, the bidding process will be reopened for the highest bidder and the right holder); *but see In re Mr. Grocer*, 77 B. R. 349, 352-53 (Bankr. D.N.H. 1987) (holding that rights of first refusal are *per se* unenforceable under section 365(f) of the Bankruptcy Code).

48. At the same time, the Bidding Procedures provide the Debtors with an opportunity to consider competing bids and select the highest or otherwise best offers for the completion of the sale.

49. As such, creditors of the Debtors' estates can be assured that the consideration obtained will be fair and reasonable at or above market.

50. The Debtors submit that the Bidding Procedures will encourage competitive bidding, are appropriate under the relevant standards governing auction proceedings and bidding incentives in bankruptcy proceedings, and are consistent with other procedures previously

approved by this district and other Tennessee bankruptcy courts. *See, e.g., In re Nashville Senior Living*, 2018 Bankr. LEXIS 3197; Expedited Order Pursuant to 11 U.S.C. §§ 363 and 365 and Fed. R. Bankr. P. 2002, 6004, and 6006 (I) Approving Procedures for Sale of Debtors' Assets and Breakage Fees Pursuant to Asset Purchase Agreement With Oreck Acquisition Holdings LLC; (II) Scheduling Bid Deadline and Sale Hearing Date; (III) Establishing Assumption and Assignment Procedures; and (IV) Fixing Notice Procedures and Approving Form of Notice, *In re Oreck Corporation*, No. 13-4006 (Bankr. M.D. Tenn. May 24, 2013).²

51. A secured creditor is allowed to “credit bid” the amount of its claim in a sale.

52. Section 363(k) of the Bankruptcy Code provides, in relevant part, that unless the court for cause orders otherwise, the holder of a claim secured by property that is the subject of the sale “may bid at such sale, and, if the holder of such claim purchases such property, such holder may offset such claim against the purchase price of such property.” 11 U.S.C. § 363(k).

53. Even if a secured creditor is undersecured as determined in accordance with section 506(a) of the Bankruptcy Code, section 363(k) allows such secured creditor to bid the total face value of its claim and does not limit the credit bid to the claim's economic value. *See Cohen v. KB Mezzanine Fund II, LP (In re Submicron Sys. Corp.)* 432 F.3d 448, 459–60 (3d Cir. 2006) (explaining that “[i]t is well settled among district court and bankruptcy courts that creditors can bid the full face value of their secured claims under section 363(k)” including the secured and unsecured portions thereof).

54. Accordingly, secured creditors are entitled to credit bid some or all of the claims secured by their collateral in accordance with the Bidding Procedures, pursuant to section 363(k) of the Bankruptcy Code.

² Because of the voluminous nature of the orders cited herein, such orders have not been attached to this motion. Copies of these orders are available upon request of the Debtors' proposed counsel.

55. Accordingly, for all of the foregoing reasons, the Debtors believe the Bidding Procedures: (a) will encourage robust bidding for the Proposed Purchased Assets; (b) are consistent with other previously approved by courts in this district; and (c) are appropriate under the relevant standards governing auction proceedings and bidding incentives in bankruptcy proceedings and should be approved.

III. The Bid Protections have a sound business purpose and should be approved.

56. The Gilmore APA and Bidding Procedures contain certain protections that the Debtors and Proposed Stalking Horse have negotiated at length to incentivize and compensate the Proposed Stalking Horse for serving as a stalking horse purchaser whose bid will be subjected to higher or better offers.

57. The Proposed Stalking Horse has specifically bargained for the Break-up Fee, which is reasonably calculated to, among other things, reimburse the Proposed Stalking Horse for the Proposed Stalking Horse's reasonable out-of-pocket expenses incurred in conducting the due diligence necessary to serve as the Proposed Stalking Horse.

58. In addition, the Proposed Stalking Horse has specifically bargained for a minimum initial overbid in the amount of \$1,000,000 (the “*Minimum Overbid*”), which is designed to (a) reasonably protect the Proposed Stalking Horse by encouraging only serious additional and higher bids, and (b) protect the Debtors by ensuring that any overbid covers the cost of the Break-up Fee and results in additional proceeds material enough to justify the risk of closing with a new buyer.

59. Bidding incentives such as the Break-up Fee and Minimum Overbid encourage a potential purchaser to invest the requisite time, money, and effort to negotiate with the Debtors and perform the necessary due diligence attendant to the acquisition of the Proposed Purchased Assets, despite the inherent risks and uncertainties associated with an auction process.

60. In conjunction with the Bidding Procedures, the Bid Protections are reasonably calculated to encourage a buyer to submit a final bid within the range of reasonably anticipated values.

61. The use of a stalking horse in a public auction process is a customary practice in chapter 11 cases, as the use of a stalking horse bid is, in many circumstances, the best way to maximize value in an auction process by “establish[ing] a framework for competitive bidding and facilitat[ing] a realization of that value.” *Official Comm. of Unsecured Creditors v. Interforum Holding LLC*, 2011 WL 2671254, No. 11-CV-219, n.1 (E.D. Wis. July 7, 2011).

62. As a result, stalking horse bidders virtually always require break-up fees and, in many cases, other forms of bid protections as an inducement for “setting the floor at auction, exposing its bid to competing bidders, and providing other bidders with access to the due diligence necessary to enter into an asset purchase agreement.” *Id.* (internal citations omitted).

63. Therefore, the use of bid protections has become an established practice in chapter 11 cases.

64. Historically, courts have approved bidding incentives, including incentives such as the Break-up Fee and Minimum Overbid, under the business judgment rule. *E.g.*, *In re 995 Fifth Ave. Assocs. L.P.*, 96 B.R. 24, 28 (Bankr. S.D.N.Y.) (bidding incentives “may be legitimately necessary to convince a white knight to enter the bidding by providing some form of compensation for the risks it is undertaking”); *see also In re Bear Island Paper Co., L.L.C.*, No. 10-31202, 2010 Bankr. LEXIS 6046, at *7 (Bankr. E.D. Va. Sept. 1, 2010) (approving bid protections).

65. Indeed, break-up fees and other forms of bid protections are a normal and, in many cases, necessary component of significant sales conducted under section 363 of the

Bankruptcy Code.

66. “Break-up fees are important tools to encourage bidding and to maximize the value of the debtor’s assets . . . In fact, because the directors of a corporation have a duty to encourage bidding, break-up fees can be *necessary* to discharge the directors’ duties to maximize value.” *In re Integrated Res., Inc.*, 147 B.R. at 659-60 (emphasis added).

67. Specifically, bid protections, such as break-up fees, may “be legitimately necessary to convince a ‘white knight’ bidder to enter the bidding by providing some form of compensation for the risks that it is undertaking.” *In re Integrated Res., Inc.*, 147 B.R. at 660 (break-up fees can prompt bidders to commence negotiations and “also ensure that a bidder does not retract its bid”); *In re Hupp Indus., Inc.*, 140 B.R. 191, 194 (Bankr. N.D. Ohio 1992) (“[W]ithout such fees, bidders would be reluctant to make an initial bid for fear that their first bid will be shopped around for a higher bid from another bidder who would capitalize on the initial bidder’s (i.e., ‘stalking horses’ due diligence”).

68. Courts analyze the appropriateness of bidding incentives under the “business judgment rule” standard, and the law is well established that courts consider whether (a) the incentive hampers, rather than encourages, bidding, and (b) the amount of the incentive is unreasonable relative to the proposed purchase price. *See ASARCO, Inc. v. Elliott Mgmt. (In re ASARCO, L.L.C.)*, 650 F.3d 593 (5th Cir. 2011) (affirming bankruptcy court’s decision to apply the business judgment rule to evaluate whether an expense reimbursement bid protection was permissible); *see also In re ASARCO L.L.C.*, 441 B.R. 813, 826 (S.D. Tex. 2010) (explaining three-part test used to determine whether expense reimbursement was permissible under business judgment rule); *Official Comm. of Subordinated Bondholders v. Integrated Res., Inc. (In re Integrated Res., Inc.)*, 147 B.R. 650, 657-58 (S.D.N.Y. 1992) (to evaluate bid protections, courts

should employ the business judgment rule, which proscribes judicial second-guessing of the corporate debtor's actions taken in good faith, absent self-dealing and in the exercise of honest judgment).

69. Here, the Debtors believe the Break-up Fee and Minimum Overbid benefit the estates because they: (a) enable the Debtors to maintain the commitment of the Proposed Stalking Horse to continue expending money, time, and effort in connection with purchasing the Proposed Purchased Assets, notwithstanding that its offer is subjected to higher and better offers; and (b) guarantee a minimum bid for the auction process.

70. In addition, the Break-up Fee and Minimum Overbid are the product of good faith, arm's length negotiations between the Debtors and Proposed Stalking Horse, each of whom was represented by counsel.

71. As a result, the Break-up Fee is specifically designed and calculated to reimburse the Proposed Stalking Horse for its reasonable out of pocket expenses incurred in connection with, among other things, reviewing and assessing the potential transaction and the retention of third-party consultants and advisors to perform financial, operational, legal, and regulatory analysis.

72. The Break-up Fee represents 4.00% of the Initial Bid. The sale of the Gilmore Hospital implicates many issues related to the regulatory environment under which a hospital operates and treats patients. The cost, manpower resources, and time commitment necessary for such review, analysis, and preparation of definitive agreements supports establishing a 4.00% Break-up Fee. Thus, the Debtors believe the amount of the Break-up Fee is reasonable in light of the size and complexity of the transaction. The Break-up Fee is reasonable given the range of break-up fees approved by courts in other stalking horse sales. *See e.g., Calpine Corp. v. O'Brien*

Envtl. Energy, Inc. (In re O'Brien Evtl. Energy, Inc.), 181 F.3d 527, 536 (3d Cir. 1999) (break-up fee of approximately 4.00% is reasonable in relation to the purchase price); *In re Oreck Corp., et. al.*, Case No.: 13-4006 (Bankr. M.D. Tenn. May 24, 2013) (Dkt. # 95, 199) (court approved break-up fee of 3.65% plus expense reimbursement of up to \$1,200,000 in a transaction with approximately \$21,882,000 purchase price); *In re Kaiser Aluminum Corp.*, Case No. 02-10429 (JFK) (Bankr. D. Del. June 21, 2004) (court approved break-up fee of 4.6% or \$1.05 million in connection with a \$23 million sale transaction); *Gey Assocs. Gen. P'ship v. 310 Assocs., L.P.*, No. 02 Civ. 0710 (SHS), 2002 U.S. Dist. LEXIS 20759 (S.D.N.Y. Oct. 29, 2002) (3.23% break-up fee of \$ 100,000 for a \$ 3.1 million purchase price is reasonable); *In re Chi-Chi's, Inc.*, Case No. 03-13063 (CGC) (Bankr. D. Del. Nov. 4, 2003) (court approved break-up fee of 5% or \$200,000 in connection with a \$4 million sale transaction); *In re America Classic Voyages Co.*, Case No. 01-10954 (EIK) (Bankr. D. Del. March 20, 2002) (court approved break-up fee of 6.6% or \$250,000 in connection with a \$3.75 million sale transaction).

73. Moreover, the Break-up Fee and Minimum Overbid will not hamper the ability of other parties to participate in the auction process.

74. Under this standard, the Debtors' request to approve, in their reasonable business judgment, the Bid Protections passes muster.

75. The Debtors recognize the significant expenditure of time, energy, and resources that has gone into preparing a stalking horse bid, and that bidding incentives have encouraged the Proposed Stalking Horse to invest the requisite time, money, and effort to negotiate with the Debtors and perform the necessary due diligence attendant to the acquisition of the Proposed Purchased Assets, despite the inherent risks and uncertainties of the chapter 11 process.

76. Moreover, the Proposed Stalking Horse's Initial Bid will provide a floor with

respect to the Proposed Purchased Assets.

77. For the reasons set forth above, the Debtors respectfully request approval of the Bid Protections.

IV. The Assumption and Assignment Procedures are fair, reasonable, and should be approved.

78. The Assumption and Assignment Procedures comply with section 365 of the Bankruptcy Code and Rule 6006 of the Bankruptcy Rules and provide an efficient and economical procedure for providing notice of the potential assumption and assignment of contracts and leases and the resolution of any objections relating to such assumption and assignment.

79. Moreover, the Assumption Notice provides adequate notice to counterparties to executory contracts and unexpired leases, regarding the potential assumption and assignment of their respective executory contract or unexpired lease.

V. The sale of the Proposed Purchased Assets should be free and clear of liens, claims, and encumbrances.

11 U.S.C. § 363(f) provides:

The Trustee may sell property under subsection (b) or (c) of this section free and clear of any interest in such property of an entity other than the estate only if:

- (1) applicable nonbankruptcy law permits sale of such property free and clear of such interest;
- (2) such entity consents;
- (3) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
- (4) such interest is a bona fide dispute; or
- (5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

80. Pursuant to 11 U.S.C. § 363(f), the Debtors seek authority to sell and transfer the Proposed Purchase Assets free and clear of all liens, claims, and encumbrances.

81. A sale free and clear of liens, claims, encumbrances, and other interests is necessary to maximize the value of the Proposed Purchased Assets.

82. A sale subject to liens, claims, encumbrances, and other interests would result in a lower purchase price and be of substantially less benefit to the Debtors' estates.

83. A sale free and clear of liens is particularly appropriate under the circumstances, because any liens, claims, encumbrances, and other interests in, to, or against any of the Proposed Purchased Assets that exists immediately prior to the closing of the sale will attach to the sale proceeds with the same validity, priority, force, and effect as it had at such time, subject to the rights and defenses of the Debtors or any party in interest.

84. The Debtors have fully disclosed and requested the court's approval of all of the terms and conditions of the proposed sale.

85. The Debtors will further provide notice of the Bidding Procedures and opportunity to present higher or better offers for the Proposed Purchased Assets.

86. The Bidding Procedures are both substantively and procedurally fair and are designed to solicit the highest and best offers for the Proposed Purchased Assets.

87. To date, there has been no collusion between any parties regarding the Proposed Purchased Assets, and the Debtors are requiring all parties participating in the Bidding Procedures to certify that they have not colluded in any way in connection with the potential purchase of the Proposed Purchased Assets.

88. The Proposed Stalking Horse is not an insider or related to the Debtors.

89. The Gilmore APA has been negotiated by the Debtors and the Proposed Stalking Horse at arms' length.

90. Accordingly, the Debtors submit that the conduct of the negotiations and potential

sale of the Proposed Purchased Assets has been in good faith.

91. Therefore, the Debtors submit that ordering the sale of the Proposed Purchased Assets free and clear is both warranted and appropriate.

VI. This court should approve the sale of the Proposed Purchased Assets.

92. The proposed sale of the Proposed Purchased Assets pursuant to the Gilmore APA (as may be modified at the Auction in accordance with the Bidding Procedures) is supported by sound business justifications and, at the Sale Hearing, should be approved.

93. Given consideration to the significant and robust prepetition marketing efforts, the Debtors believe that the pool of potential purchasers for the Proposed Purchased Assets has been adequately identified, and the delay of any sale of the Gilmore Hospital would not increase the likelihood of identifying any additional potential purchasers.

VII. The sale of the Proposed Purchased Assets is in the best interests of creditors.

94. The proposed sale of the Proposed Purchased Assets pursuant to the Gilmore APA in accordance with the proposed Bidding Procedures is in the best interests of the creditors.

95. The Proposed Purchased Assets have been adequately marketed, and the proposed sale process is permissible under 11 U.S.C. § 363.

96. A sale of the Proposed Purchased Assets will reduce the costs and professional fees currently being incurred to maintain and administer the Proposed Purchased Assets.

97. A sale of the Proposed Purchased Assets is the most practical way for creditors to realize a recovery in this case.

VIII. Sound business justification for the sale exists.

98. There is more than adequate business justification to sell the Proposed Purchased Assets to a Successful Bidder.

99. Absent a sale of the Proposed Purchased Assets to a third party, the Debtors would likely be forced to liquidate the Gilmore Hospital's assets piecemeal and wind up the Gilmore Hospital's operations.

100. Further, if the Gilmore Hospital is not sold as a going concern, the value obtained for the assets of Hospital would be significantly less, which would decrease any potential recovery for creditors.

IX. The Gilmore APA provides fair and reasonable compensation to the Debtors.

101. The Debtors, in the Debtors' sound business judgment, have determined that the proposed sale of the Proposed Purchased Assets in accordance with the Bidding Procedures will enable the Debtors to obtain the highest or best offer for the Proposed Purchased Assets and maximize the value of the Proposed Purchased Assets for their creditors.

102. As set forth above, the Debtors have engaged in a robust marketing process and, to date, the Gilmore APA and the Proposed Stalking Horse's offer represents the highest and best offer for the Proposed Purchased Assets.

103. Based upon the Debtors' sound business judgment, the Gilmore APA and offer from the Proposed Stalking Horse represent fair and reasonable consideration for the Proposed Purchased Assets, and any higher or better offers obtained through the Bidding Procedures would, therefore, also constitute fair and reasonable consideration for the Proposed Purchased Assets.

IT IS HEREBY FOUND, DETERMINED, AND CONCLUDED THAT:³

A. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334.

B. Venue in this Court is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

C. This is a core proceeding, within the meaning of 28 U.S.C. §§ 157(b)(2)(A), (N), and (O).

D. The statutory bases for the relief requested in the Motion are sections 105, 363, and 365 of the Bankruptcy Code, Rules 2002, 6003, 6004, 6006, and 9014 of the Bankruptcy Rules, and Bankruptcy Local Rule 9013-1.

E. Proper, timely, adequate, and sufficient notice of the Sale Procedures Motion and relief sought in the Sale Procedures Motion has been provided, and such notice was sufficient and appropriate under the particular circumstances. Other than as set forth in this order, no other or further notice of the Sale Procedures Motion or relief sought in the Sale Procedures Motion is necessary or required.

² Capitalized terms used herein and not defined shall have the meaning given to them in the Sale Procedures Motion or the Bidding Procedures, as applicable.

³ The findings of fact and conclusions of law herein constitute the court’s findings of fact and conclusions of law for the purposes of Bankruptcy Rule 7052, made applicable pursuant to Bankruptcy Rule 9014. To the extent any findings of facts are conclusions of law, they are adopted as such. To the extent any conclusions of law are findings of fact, they are adopted as such.

F. A reasonable opportunity to object or be heard regarding the requested relief in the Sale Procedures Motion and this order has been afforded to all parties entitled to notice of the Sale Procedures Motion.

G. The Debtors have the power and authority to sell the Proposed Purchased Assets free and clear of all liens, claims, and encumbrances, pursuant to section 363 of the Bankruptcy Code, and all requirements for such sale pursuant to section 363 of the Bankruptcy Code have been satisfied.

H. The Debtors have articulated good and sufficient reasons for this Court to: (a) approve the Bidding Procedures; (b) approve the selection of the Stalking Horse Purchaser and related Bid Protections; (c) schedule the Bid Deadline and the Auction; and (d) approve the form and manner of notice of the Auction Notice.

I. The Bidding Procedures are reasonable, non-collusive, created in good faith, substantively and procedurally fair, and represent the best available method for maximizing value for the benefit of the Debtors' estates.

J. The Debtors' authorization to pay the Break-up Fee is an essential inducement and condition relating to the Proposed Stalking Horse's entry into, and continuing obligations under, the Gilmore APA.

K. The Debtors' promise to pay the Break-up Fee, which has induced the Proposed Stalking Horse to submit its bid that will serve as a minimum or floor bid on which the Debtors can rely, provides a material benefit to the Debtors' estates and their creditors, by increasing the likelihood that the best possible purchase price for the Proposed Purchased Assets will be received.

L. The Bid Protections are reasonable and appropriate under the circumstances, including in light of the commitments that will be made by the Stalking Horse Purchaser.

M. The Bidding Procedures were negotiated at arm's length, in good faith, and without collusion. The Bidding Procedures balance the Debtors' interests in an expeditious sale of the Proposed Purchased Assets while preserving the opportunity to attract value-maximizing proposals beneficial to the Debtors' estates, their creditors, and other parties in interest.

N. The Auction Notice, substantially in the form attached to the Sale Procedures Motion as Exhibit C is appropriate and reasonably calculated to provide all interested parties with timely and proper notice of the Auction.

O. The Assumption Notice, substantially in the form attached to the Sale Procedures Motion as Exhibit E, is appropriate and reasonably calculated to provide all parties to executory contracts and unexpired leases with the notice required by section 365 of the Bankruptcy Code and Rule 6006(c) of the Bankruptcy Rules and all applicable Local Rules.

P. The Assumption and Assignment Procedures are fair, reasonable, and calculated to provide all parties to executory contracts and unexpired leases to adequate notice of the proposed assumption and assignment of executory contracts and unexpired leases, pursuant to section 365 of the Bankruptcy Code and in accordance with Rules 6003 and 6006(c) of the Bankruptcy Rules and all applicable Local Rules.

The Debtors and their advisors shall coordinate all reasonable requests from Potential Bidders for additional

information and due diligence access; provided that the Debtors may decline to provide such information to Potential Bidders who, at such time and in the Debtors' reasonable business judgment, have not established, or who have raised doubt, that such Potential Bidder intends in good faith to, or has the capacity to, consummate a transaction to acquire the Proposed Purchased Assets.

The Debtors also reserve the right to withhold any diligence materials that the Debtors determine are sensitive or otherwise not appropriate for disclosure to a Potential Bidder who the Debtors determine is a competitor of the Debtors or is affiliated with any competitor of the Debtors. Neither the Debtors nor their representatives shall be obligated to furnish information of any kind whatsoever to any person that is not determined to be a Potential Bidder that intends in good faith to, or has the capacity to, consummate a transaction to acquire the Proposed Purchased Assets.

All due diligence requests must be directed to Debtors' Counsel and Debtors' Financial Advisors.

(a) Communications with Potential Bidders.

Notwithstanding anything to the contrary in the Bidding Procedures, all substantive direct communications between and amongst Potential Bidders shall involve the Debtors and the Debtors' advisors, to the extent reasonably practicable.

(b) Due Diligence from Potential Bidders.

Each bidder shall comply with all reasonable requests for additional information and due diligence access requested by the Debtors or their advisors regarding the ability of the Potential Bidder to consummate a transaction to acquire the Proposed Purchased Assets or discussions with other Potential Bidders regarding any topic and with any party regarding the Debtors and/or any of the Proposed Purchased Assets. Failure by a Potential Bidder to comply with such reasonable requests for additional information and due diligence access may be a basis for the Debtors to determine that such bidder is not a Qualified Bidder or that a Bid made by such bidder is not a Qualified Bid.

The Debtors and each of their respective advisors and representatives shall be obligated to maintain in confidence any confidential information in accordance with any applicable confidentiality agreement, except as otherwise set forth in the Bidding Procedures. Each recipient of confidential information agrees to use, and to instruct their advisors and representatives to use, such confidential information only in connection with the evaluation of Bids during the bidding process, in connection with a potential transaction to acquire the Proposed Purchased Assets, or otherwise in accordance with the terms of any applicable Confidentiality Agreement.

Notwithstanding the foregoing and the provisions contained in any applicable Confidentiality Agreement, the Debtors and the Debtors' advisors may disclose confidential information: (i) with the prior written consent of such Potential Bidder (or Qualified Bidder) and the Debtors; (ii) to the applicable Potential Bidder or Qualified Bidder; and (iii) as otherwise

required or allowed by any applicable Confidentiality Agreement with respect to a particular Potential Bidder or Qualified Bidder or other agreement, law, court or other governmental order, or regulation, including, as appropriate, to regulatory agencies.

IV. Bid Requirements.

A proposal, solicitation, or offer for a purchase and sale of the Proposed Purchased Assets (each, a “**Bid**”) that is submitted in writing and satisfies each of the following requirements (the “**Bid Requirements**”) as determined by the Debtors, in their reasonable business judgment, Committee, MidCap Financial Trust, and ServisFirst Bank (collectively, the “**Sale Notice Parties**”), shall constitute a “**Qualified Bid**.”

- (a) **Assets.** Each Bid must clearly state which assets and liabilities of the Debtors that the Qualified Bidders are agreeing to purchase and assume.
- (b) **Purchase Price** Each Bid must clearly set forth the purchase price in U.S. dollars to be paid for each individual Proposed Purchased Asset subject to the applicable asset package, including and identifying separately any cash and non-cash components (the “**Purchase Price**”).
- (c) **Deposit.** On or before the Bid Deadline, each Bid, other than a credit bid, must be accompanied by a cash deposit in the amount equal to 5% of the aggregate Purchase Price of the Bid, to be held in an interest-bearing escrow account to be identified and established by the Debtors (the “**Deposit**”).
- (d) **Assumption of Obligations.** Each Bid must clearly state which liabilities of the Debtors the bidder is agreeing to assume.
- (e) **Qualified Bid Documents.** Each Bid must include duly executed, non-contingent transaction documents necessary to effectuate the transaction(s) contemplated by the Bid and shall include a schedule of assumed contracts, to the extent applicable to the Bid, and all other material documents integral to such Bid (the “**Qualified Bid Documents**”). Such documents must be based on form documents provided by the Debtors (including a summary of each Bid as may be reasonably requested by the Debtors).
- (f) **Committed Financing.** To the extent that a Bid is not accompanied by evidence of the Potential Bidder’s capacity to consummate the transaction(s) set forth in its Bid with cash on hand, each Bid must include unconditionally committed financing from a reputable financial institution documented to the satisfaction of the Debtors that demonstrates that the Potential Bidder has: (i) received sufficient debt and/or equity funding commitments to satisfy the Potential Bidder’s Purchase Price and other obligations under its Bid; and (ii) adequate working capital financing or resources to finance going concern operations for the Proposed Purchased Assets and the proposed transaction(s). Such funding commitments or other financing must be unconditional and must not be subject to any internal approvals, syndication requirements, diligence, or credit committee approvals, and shall have covenants and conditions acceptable to the Debtors.

- (g) **Contingencies; No Financing or Diligence Outs.** A Bid shall not be conditioned on the obtaining or the sufficiency of financing or any internal approval, or on the outcome or review of due diligence, but may be subject to the accuracy at the closing of specified representations and warranties or the satisfaction at the closing of specified conditions, which shall be acceptable to the Debtors in their business judgment.
- (h) **Identity.** Each Bid must fully disclose the identity of each entity that will be bidding or otherwise participating in connection with such Bid (including each equity holder or other financial backer of the Potential Bidder if such Potential Bidder is an entity formed for the purpose of consummating the proposed transaction contemplated by such Bid), and the complete terms of any such participation. Under no circumstances shall any undisclosed principals, equity holders, or financial backers be associated with any Bid. Each Bid must also include contact information for the specific persons, including financial advisors and counsel, if any, that Debtors' Financial Advisor and Debtors' Counsel should contact regarding such Bid.
- (i) **Demonstrated Financial Capacity.** A Potential Bidder must have, in the Debtors' business judgment, the necessary financial capacity to consummate the proposed transaction(s) required by its Bid and provide adequate assurance of future performance under all contracts proposed to be assumed by such Bid.
- (j) **Time Frame for Closing.** A Bid by a Potential Bidder must be reasonably likely (based on availability of financing, antitrust, or other regulatory issues, experience, and other considerations) to be consummated, if selected as the Successful Bid, within a time frame acceptable to the Debtors, in consultation with the Sale Notice Parties.
- (k) **Binding and Irrevocable.** A Potential Bidder's Bid shall be irrevocable unless and until the Debtors accept a higher Bid and such Potential Bidder is not selected as the Backup Bidder.
- (l) **Expenses; Disclaimer of Fees.** Each Bid, other than the Stalking Horse Purchaser's Bid, must disclaim any right to receive a fee analogous to a break-up fee, expense reimbursement, termination fee, or any other similar form of compensation. For the avoidance of doubt, no Potential Bidder will be permitted to request, nor be granted by the Debtors, at any time, whether as part of the Auction or otherwise, a break-up fee, expense reimbursement, termination fee, or any other similar form of compensation, and, by submitting its Bid, is agreeing to refrain from and waive any assertion or request for reimbursement on any basis, including under Section 503(b) of the Bankruptcy Code.
- (m) **Authorization.** Each Bid must contain evidence that the Potential Bidder has obtained authorization or approval from its board of directors (or a comparable governing body acceptable to the Debtors) with respect to the submission of its Bid and the consummation of the transactions contemplated in such Bid.

- (n) **As-Is, Where-Is.** Each Bid must include a written acknowledgement and representation that the Potential Bidder: (i) has had an opportunity to conduct any and all due diligence regarding the Assets prior to making its offer; (ii) has relied solely upon its own independent review, investigation, and/or inspection of any documents and/or the Assets in making its Bid; and (iii) did not rely upon any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied by operation of law, or otherwise, regarding the Assets or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the bidder's Bid.
- (o) **Adherence to Bid Procedures.** By submitting its Bid, each Potential Bidder is agreeing to abide by and honor the terms of these Bidding Procedures and agrees not to submit a Bid or seek to reopen the Auction after conclusion of the Auction.
- (p) **Regulatory Approvals and Covenants.** A Bid must set forth each regulatory and third-party approval required for the Potential Bidder to consummate the Sale, if any, and the time period within which the Potential Bidder expects to receive such regulatory and third-party approvals (and in the case that receipt of any such regulatory or third-party approval is expected to take more than thirty (30) days following execution and delivery of the asset purchase agreement, those actions the Potential Bidder will take to ensure receipt of such approvals as promptly as possible).
- (q) **Consent to Jurisdiction.** The Potential Bidder must submit to the jurisdiction of the Court and waive any right to a jury trial in connection with any disputes relating to Debtors' qualification of bids, the Auction, the construction and enforcement of these Bidding Procedures, the documents governing the sale of the Proposed Purchased Assets or any Bid or Qualified Bid, and the Closing, as applicable.
- (r) **Bid Deadline.** Each Bid must be transmitted via email (in .pdf or similar format) so as to be **actually received** on or before 5:00 p.m. (prevailing Central Time) on **November 12, 2018** (the "***Bid Deadline***") by each of the Notice Parties.

V. Qualified Bidders.

- (a) A "***Qualified Bidder***" is a Potential Bidder whose Financials, the Financials of its equity holder(s), or written commitments, as applicable, demonstrate the financial capability to consummate a transaction for the purchase of the Proposed Purchased Assets, whose Bid is a Qualified Bid, and that the Debtors determine should be considered a Qualified Bidder, in consultation with the Sale Notice Parties. Within one business day after the Bid Deadline, the Debtors' advisors will notify each Potential Bidder in writing whether such Potential Bidder is a Qualified Bidder.
- (b) If any Potential Bidder is determined by the Debtors not to be a Qualified Bidder, the Debtors will refund such Qualified Bidder's Deposit (as defined below), if

any, and all accumulated interest on or within three (3) business days after the Bid Deadline.

- (c) After the Bid Deadline, the Debtors may discuss, negotiate, or seek clarification of any Qualified Bid from a Qualified Bidder. Without the written consent of the Debtors, a Qualified Bidder may not modify, amend, or withdraw a Qualified Bid, except for proposed amendments to increase their consideration contemplated by, or otherwise improve the terms of, the Qualified Bid, during the period that such Qualified Bid remains binding as specified in the Bidding Procedures; provided that any Qualified Bid may be improved at the Auction. Any improved Qualified Bid must continue to comply with the requirements for Qualified Bids set forth in the Bidding Procedures.
- (d) For purposes of the Bidding Procedures, the Stalking Horse Purchaser shall be deemed Qualified Bidder.

VI. Right to Credit Bid.

Any Qualified Bidder who has a valid and perfected lien on any of the Proposed Purchased Assets (a “***Secured Creditor***”) and the right and power to credit bid claims secured by such liens, shall have the right to credit bid all or a portion of the value of such Secured Creditor’s claims, within the meaning of section 363(k) of the Bankruptcy Code; provided that a Secured Creditor shall have the right to credit bid its secured claim only with respect to the collateral by which such Secured Creditor is secured.

VII. Auction.

If the Debtors receive more than one Qualified Bid for the Proposed Purchased Assets, the Debtors will conduct the Auction, to determine the Successful Bidders with respect to the Proposed Purchased Assets. If the Debtors do not receive a Qualified Bid for the Proposed Purchased Assets, the Debtors will not conduct the Auction.

No later than two (2) business days after the Bid Deadline, at 5:00 p.m. (prevailing Central Time), the Debtors will notify each Qualified Bidder of the highest or otherwise best Qualified Bid or combination of Qualified Bids, for which such Qualified Bidder submitted a Qualified Bid or combination of Qualified Bids, as determined in the Debtors’ reasonable business judgment, in consultation with the Sale Notice Parties (the “***Baseline Bid***”), and provide copies of the applicable Qualified Bid Documents supporting the applicable Baseline Bid to each Qualified Bidder. The determination of which Qualified Bid constitutes the Baseline Bid and which Qualified Bid constitutes the Successful Bid may take into account any factors the Debtors reasonably deem, in consultation with the Sale Notice Parties, relevant to the value of the Qualified Bid to the Debtors’ estates, including, among other things: (a) the amount and nature of the total consideration (including the amount of cash paid to or remaining in the estates pursuant to the Qualified Bid); (b) the likelihood of the Qualified Bidder’s ability to close, and the timing of closing, the transaction(s) contemplated by the Qualified Bid; (c) the net economic effect of any changes to the value to be received by the Debtors’ estates from the transaction

contemplated by the Qualified Bid Documents; and (d) the tax consequences of such Qualified Bid (collectively, the “***Bid Assessment Criteria***”).

The Auction shall take place at 9:00 a.m. (prevailing Central Time) on **November 15, 2018**, at the offices of Polsinelli PC, in Nashville, Tennessee, or such later date and time as selected by the Debtors. The Auction shall be conducted in a timely fashion according to the following procedures:

(a) The Debtors Shall Conduct the Auction.

The Debtors and their professionals shall direct and preside over the Auction. At the start of the Auction, the Debtors shall describe the terms of the Baseline Bids. All incremental Bids made thereafter for the Proposed Purchased Assets shall be Overbids and shall be made and received on an open basis, and all material terms of each Overbid shall be fully disclosed to all other Qualified Bidders who submitted Bids on the Proposed Purchased Assets. The Debtors shall maintain a written transcript of all Bids made and announced at the Auction, including the Baseline Bid, all applicable Overbids, and the Successful Bid.

Only Qualified Bidders and their legal and financial advisors, and the members of and advisors to the Sale Notice Parties, and each such parties’ respective legal and financial advisors shall be entitled to attend the Auction, and the Qualified Bidders shall appear at the Auction in person and may speak or bid themselves or through duly authorized representatives. Only Qualified Bidders shall be entitled to bid at the Auction.

(b) Terms of Overbid.

“***Overbid***” means any Bid made at the Auction by a Qualified Bidder subsequent to the Debtors’ announcement of the Baseline Bid. Each applicable Overbid must comply with the following conditions:

- (i) **Initial Overbid.** If the Proposed Stalking Horse’s Initial Bid is the Baseline Bid, the initial overbid shall exceed the Baseline Bid by \$1,000,000. If the Baseline Bid is a Qualified Bid submitted by a Qualified Bidder other than the Proposed Stalking Horse, the initial overbid shall exceed the Baseline Bid by \$100,000.
- (ii) **Minimum Overbid Increment.** Any Overbid following the initial overbid or following any subsequent Prevailing Highest Bid (as defined below) for the Proposed Purchased Assets shall be in increments of value equal to (or exceeding) \$100,000. The Debtors may establish different overbid increments at the Auction for any portion or combination of the Proposed Purchased Assets, as determined by the Debtors in an exercise of their business judgment, in consultation with the Sale Notice Parties.
- (iii) **Conclusion of Each Overbid Round.** Upon the solicitation of each round of applicable Overbids, the Debtors may announce a deadline (as the Debtors may, in their business judgment, extend time to time, the

“**Overbid Round Deadline**”) by which time any Overbids must be submitted to the Debtors.

Subsequent to each Overbid Round Deadline, the Debtors shall announce whether the Debtors have identified, after consultation with the Sale Notice Parties, an Overbid as being higher or otherwise better than the best Bid the Debtors had prior to receiving such Overbid (in each instance, the “**Prevailing Highest Bid**”). The Debtors shall describe to all Qualified Bidders the material terms of any new Overbid designated by the Debtors as the Prevailing Highest Bid as well as the value attributable by the Debtors to such Prevailing Highest Bid based on, among other things, the Bid Assessment Criteria.

- (iv) **Overbid Alterations.** An applicable Overbid may contain alterations, modifications, additions, or deletions of any terms of the Bid no less favorable to the Debtors’ estates than any prior Bid or Overbid, as determined in the Debtors’ reasonable business judgment, in consultation with the Sale Notice Parties, but shall otherwise comply with the terms of these Bidding Procedures.
- (v) **Overbids by the Stalking Horse Purchaser.** The Stalking Horse Purchaser shall be permitted to include the full amount of the Break-up Fee in each bid by the Stalking Horse Purchaser for the purposes of comparison to any Overbid, in connection with each round of bidding at the Auction.

(c) Consideration of Overbids.

The Debtors reserve the right, in their reasonable business judgment, and in consultation with the Sale Notice Parties, to adjourn the Auction one or more times to, among other things: (i) facilitate discussions between the Debtors and Qualified Bidders; (ii) allow Qualified Bidders to consider how they wish to proceed; and (iii) provide Qualified Bidders the opportunity to provide the Debtors with such additional evidence as the Debtors, in their reasonable business judgment, may require, that the Qualified Bidder has sufficient internal resources or has received sufficient non-contingent debt and/or equity funding commitments to consummate the proposed transaction at the prevailing amount.

(d) Closing the Auction.

- (i) The Auction shall continue until there is only one Bid that the Debtors determine, in their reasonable business judgment, to be the highest or otherwise best Bid for the Proposed Purchased Assets. Such Bid shall be declared the “**Successful Bid**,” and such Qualified Bidder, the “**Successful Bidder**” and at which point the Auction will be closed as to the Proposed Purchased Assets subject to such Successful Bid. The Auction shall not close unless and until all Qualified Bidders have been given a reasonable opportunity to submit an Overbid at the Auction to the then Prevailing

Highest Bid. Such acceptance by the Debtors of the Successful Bid is conditioned upon approval by the Court of the Successful Bid.

- (ii) For the avoidance of doubt, nothing in these Bidding Procedures shall prevent the Debtors from exercising their respective fiduciary duties under the applicable law.
- (iii) The Debtors shall not consider any Bids or Overbids submitted after the conclusion of the Auction, and any such Bids or Overbids shall be deemed untimely and shall under no circumstances constitute a Qualified Bid.
- (iv) As soon as reasonably practicable after closing the Auction, the Debtors shall cause the Qualified Bid Documents for the Successful Bid(s) and Backup Bid(s) to be filed with this court.

(e) No Collusion; Good-Faith *Bona Fide* Offer.

Each Qualified Bidder participating at the Auction will be required to confirm on the record at the Auction that: (i) it has not engaged in any collusion with respect to the bidding or otherwise in connection with the sale of the Proposed Purchased Assets; and (ii) its Qualified Bid and subsequent Overbids are a good-faith *bona fide* offer and it intends to consummate the proposed transaction if selected as the Successful Bidder.

VIII. Backup Bidder.

The Qualified Bidder with the second-best Qualified Bid (the “**Backup Bid**”) at the Auction (if the Auction is conducted) shall be required to serve as a backup bidder (the “**Backup Bidder**”). The Backup Bidder’s Deposit, if any, shall be held in escrow until the closing of the transaction with the applicable Successful Bidder. If the Backup Bidder is the Proposed Stalking Horse, the Proposed Stalking Horse shall serve as the Backup Bidder for only thirty (30) days following the Auction. If a Successful Bidder fails to consummate its Successful Bid, the Debtors may select the applicable Backup Bidder as the Successful Bidder, and such Backup Bidder shall be deemed a Successful Bidder for all purposes. The Debtors will be authorized, but not required, to consummate all transactions contemplated by the Qualified Bid of such Backup Bidder without further order of the Court or notice to any party.

In such case, the defaulting Successful Bidder’s Deposit, if any, shall be forfeited to the Debtors, and the Debtors specifically reserve the right to seek all available remedies against the defaulting Successful Bidder, including with respect to specific performance.

IX. Highest or Otherwise Best Bid.

When determining the highest or otherwise best Qualified Bid or Overbid, as compared to other Qualified Bids or Overbids, the Debtors may consider the following factors in addition to any other factors that the Debtors deem appropriate, in consultation with the Sale Notice Parties: (a) the amount and nature of the total consideration (including the amount of cash paid to or remaining in the estates pursuant to the Bid); (b) the likelihood of the Qualified Bidder’s ability to close a transaction and the timing thereof; (c) the net economic effect of any changes to

the value to be received by the Debtors' estates from the transaction contemplated by the Qualified Bid Documents; and (d) the tax consequences of such Bid.

X. Reservation of Rights.

The Debtors reserve their rights to modify these Bidding Procedures in their reasonable business judgment, in consultation with the Sale Notice Parties, in any manner that will best promote the goals of the bidding process, or impose, at or prior to the Auction, additional customary terms and conditions on the sale of the Proposed Purchased Assets, including, without limitation: (a) extending the deadlines set forth in these Bidding Procedures; (b) adjourning the Auction at the Auction and/or adjourning the Sale Hearing in open court without further notice; (c) adding procedural rules that are reasonably necessary or advisable under the circumstances for conducting the Auction; (d) canceling the Auction; and (e) rejecting any or all bids, Qualified Bids, or Overbids. Provided, however, that modifications are not inconsistent in any material respect with the Bidding Procedures or the Gilmore APA.

XI. Consent to Jurisdiction.

All Qualified Bidders at the Auction shall be deemed to have consented to the jurisdiction of the court and waived any right to a jury trial in connection with any disputes relating to the Auction, the construction and enforcement of these Bidding Procedures, and/or the Qualified Bid Documents, as applicable.

XII. Confirmation and Sale Hearing.

A hearing to consider approval of the results of the Auction and sale of the Proposed Purchased Assets (the "***Sale Hearing***") will take place on November 27, 2018 at 11:00 a.m. (prevailing Central Time). Any objection on any basis to the proposed sale of the Proposed Purchased Assets must be filed with the court no later than **November 20, 2018, at 5:00 p.m. (prevailing Central time)** (the "***Objection Deadline***").

The Sale Hearing may be continued to a later date by the Debtors by sending notice prior to, or making an announcement at, the Sale Hearing. No further notice of any such continuance will be required to be provided to any party.

At the Sale Hearing, the Debtors shall present the Successful Bid(s) to the Court for approval.

XIII. No Modification of Bidding Procedures.

Except as provided by Section X of these Bidding Procedures, these Bidding Procedures may not be modified except with the Debtors' express written consent.

XIV. Return of Deposit.

The Deposit, if any, of the Successful Bidder shall be applied to the respective Purchase Price of such transaction at closing. The Deposits, if any, for each Qualified Bidder shall be held in one or more interest-bearing escrow accounts on terms acceptable to the Debtors in their sole

discretion and shall be returned (other than with respect to the Successful Bidder, and the Backup Bidder) on or within three (3) business days after the Auction. Upon the return of the Deposits, if any, their respective owners shall receive any and all interest that will have accrued thereon.

If a Successful Bidder fails to consummate a proposed transaction because of a breach by such Successful Bidder, the Debtors will not have any obligation to return the Deposit, if any, deposited by such Successful Bidder, which may be retained by the Debtors as liquidated damages, in addition to any and all rights, remedies, or causes of action that may be available to the Debtors, and the Debtors shall be free to consummate the proposed transaction with the applicable Backup Bidder without the need for an additional hearing or order of the Court.

XV. Fiduciary Out.

Nothing in these Bidding Procedures shall require the board of directors, board of managers, or such similar governing body of the Debtors to take any action, or to refrain from taking any action, with respect to these Bidding Procedures, to the extent such board of directors, board of managers, or such similar governing body determines, or based on the advice of counsel, that taking such action, or refraining from taking such action, as applicable, is required to comply with applicable law or its fiduciary obligations under applicable law.

2.3 Assumed Liabilities; Assignment of Contracts.

(a) On the terms and subject to the conditions set forth in this Agreement, Buyer shall assume as of the Effective Time the future payment and performance of the following Liabilities of Seller (collectively, the “**Assumed Liabilities**”):

(i) Liabilities as of immediately prior to the Effective Time in respect of the Assumed Paid Time Off, but only to the extent that such Liabilities are reflected as a current Liability in the calculation of Closing Working Capital;

(ii) all Liabilities relating to the period after the Effective Time arising under the Assumed Contracts;

(iii) any Cure Amounts, which shall be satisfied by Buyer in connection with the assumption of any Assumed Contracts;

(iv) the Assumed Capital Leases and the Assumed Contracts; and

(v) all other Liabilities included in the calculation of Closing Working Capital.

(b) Schedule 2.3(b) hereto sets forth Seller’s good faith estimate of the Cure Amount for each Assumed Contract. Prior to the Sale Hearing, Seller shall commence appropriate proceedings before the Bankruptcy Court and otherwise take all necessary actions to determine the actual amount of the Cure Amounts, including resolving any disputes as to Cure Amounts prior to or at the Sale Hearing, such that all Assumed Contracts may be assumed by Seller and assigned to Buyer in accordance with Section 365 of the Bankruptcy Code. The payment of all Cure Amounts shall be the sole responsibility of Buyer; provided, however, Buyer’s total liability as determined by Buyer to pay the Cure Amounts shall not exceed \$2,000,000 (the “Cure Cap”). In the event the Cure Amounts exceed the Cure Cap, the Buyer may, in its sole discretion: (i) choose not to cure any Assumed Contract, in which event such uncured Assumed Contract shall be excluded from the Purchased Assets and be deemed an Excluded Contract and listed on Schedule 2.3(c)(ii); (ii) pay the Cure Amounts for any Assumed Contract in full; or (iii) terminate this Agreement without further obligation.

(c) Notwithstanding anything to the contrary herein, at any time (and from time to time) prior to the Closing, Buyer may (i) designate any Contract that binds or affects any of the Purchased Assets or to which Seller is a party or by which Seller is bound in connection with the Business or the Purchased Assets or binds or affects the Hospital and other operations and facilities managed by Curae (a “Multi-Facility Contract”), or as one that Buyer desires to have assigned to Buyer, in which case such Contract shall be deemed an Assumed Contract and listed on Schedule 2.3(c)(i) hereto; and/or (ii) designate any Assumed Contract as one that Buyer no longer desires to have assigned to Buyer, in which case such Contract shall be deemed an Excluded Contract and listed on Schedule 2.3(c)(ii) hereto. To the extent that a Multi-Facility Contract is designated as an Assumed Contract, Buyer shall only assume obligations related to the Hospital, and Seller shall use its commercially reasonable efforts to obtain any

such consents to assign any such Multi-Facility Contract. Any amount paid by Buyer to effectuate the assignment of a Multi-Facility Contract shall be considered in determining whether the Cure Cap is exceeded. To the extent that the assignment to Buyer of any Assumed Contract is not permitted by Law or is not permitted without the consent of another Person, and such restriction cannot be effectively overridden or canceled by the Sale Order or other related Order of the Bankruptcy Court prior to the Closing, then, at Buyer's option, Buyer may designate any such Assumed Contract (or purported Assumed Contract, if determined not to be assignable) as an Excluded Contract and, in such event, Seller shall use its commercially reasonable efforts to obtain any such consents to assign any such Assumed Contract. This Section 2.3(c) does not (A) require Seller to provide any financial accommodation to any applicable counterparty to any Contract in order to obtain its consent, other than Cure Amounts, (B) prohibit Seller from ceasing operations or winding up its affairs following the Closing, nor (C) constitute a waiver, if any, of any closing condition of Buyer, including with respect to the assignment of Assumed Contracts.

2.4 Excluded Liabilities. Other than the Assumed Liabilities, Buyer shall not be responsible to pay, perform, discharge or assume, and none of the Purchased Assets shall be or become liable for or subject to, any Liabilities of Seller or any Seller Affiliate, or any Liabilities otherwise related to the ownership or operation of the Business or the Purchased Assets prior to the Effective Time, or any Liabilities related to any acts or omissions by Seller or any Seller Affiliate (the "**Excluded Liabilities**").

2.5 Purchase Price; Adjustments. Subject to the terms and conditions hereof, the purchase price will be an amount equal to (i) \$15,000,000 (including the \$2,000,000 Buyer is placing into the Escrow Account at Closing), plus (ii) the amount of Net Working Capital (as defined above) of the Hospital at Closing, minus (iii) the lease obligations assumed with respect to the leasehold interests of Seller in property owned by CHCT Mississippi, LLC (including current portions and past due portions) that are assumed by Buyer as well as the obligations (including current portions and past due portions) that are assumed by Buyer with respect to any other capital leases assumed by Buyer (the "**Assumed Indebtedness**") (the resulting amount from the foregoing, as finally adjusted pursuant to Section 2.8, the "**Purchase Price**"). The Purchase Price to be paid by Buyer at Closing shall be based on estimates of the Closing Working Capital (as contemplated by Section 2.6(a)), and such amounts shall be subject to adjustment after the Closing pursuant to Section 2.8 and other provisions of this Agreement.

2.6 Delivery of Estimated Closing Statement.

(a) Seller shall prepare and deliver to Buyer, not more than five (5) Business Days (but at least three (3) Business Days) prior to the Closing Date, a statement, in form and substance reasonably satisfactory to Buyer (the "**Estimated Closing Statement**"), setting forth in reasonable detail Seller's (i) good faith written estimate of the Closing Working Capital (the "**Estimated Working Capital**"), (ii) good faith written estimate of the Assumed Indebtedness (the "**Estimated Assumed Indebtedness**"), and (iii) calculation of the Purchase Price payable at Closing in accordance with Section 2.5 as if such Estimated Working Capital and Estimated Assumed Indebtedness were the actual amount of Closing Working Capital and Assumed Indebtedness (the Purchase Price as so estimated, the "**Estimated Purchase Price**"). All amounts set forth in the Estimated Closing Statement shall be subject to the review, comment, and approval of Buyer, which shall not be unreasonably withheld, conditioned, or delayed. To the extent requested by Buyer, Seller shall promptly provide Buyer with reasonable access to such information of Seller, including the information used by Seller in calculating such amounts, as is reasonably necessary for Buyer to review such amounts.

2.7 Closing Date Payments. At the Closing, Buyer shall make the following payments:

(a) to Seller by wire transfer of immediately available funds to the bank account

designated by Seller in the Estimated Closing Statement, an amount equal to the (i) the Estimated Purchase Price, minus (ii) the Escrow Amount, and minus (iii) the unpaid and remaining amounts with respect to the Hospital's capitalized leases.

(b) to the applicable payees, by wire transfer of immediately available funds to the bank accounts designated by such payees, all Cure Amounts relating to the assignment and assumption of the Assumed Contracts, only up to the Cure Cap.

(c) to the Escrow Agent by wire transfer of immediately available funds to an escrow account (the "**Escrow Account**") established pursuant to the terms of the Escrow Agreement, an amount equal to \$2,000,000 (the "**Escrow Amount**") to support Seller's indemnification obligations pursuant to and in accordance with Article 10 and Seller's payment obligations pursuant to and in accordance with Section 2.8.

2.8 Post-Closing Adjustment to Purchase Price.

(a) Not more than ninety (90) days after the Closing Date, Buyer shall prepare and deliver to Seller a statement (the "**Closing Statement**") setting forth in reasonable detail Buyer's calculation of (i) the actual amount of the Closing Working Capital, (ii) the actual amount of the Assumed Indebtedness; and (iii) the Purchase Price in accordance with Section 2.5 resulting from such actual amount of Closing Working Capital and Assumed Indebtedness. The Closing Statement shall become Final and Binding on the Parties on the Final Resolution Date.

(b) During the thirty (30) days after delivery of the Closing Statement, Buyer will provide Seller and its accountants reasonable access, during normal business hours and upon reasonable notice, (i) to review the financial books and records of Buyer to the extent related to the Closing Statement, including any of Buyer's accountants' work papers related to the calculation of amounts in the Closing Statement (subject to the execution of any access letters that such accountants may reasonably require in connection with the review of such work papers), and (ii) to the employees and other Representatives of Buyer who were responsible for the preparation of the Closing Statement to respond to questions relating to the preparation of the Closing Statement and the calculation of the items thereon, in each case solely to allow Seller to determine the accuracy of Buyer's calculation of the items set forth on the Closing Statement. Any information shared with Seller or Seller's accountants will be subject to Section 6.14, and Buyer shall not have any obligation to provide information or access to information, materials or Persons if doing so could reasonably be expected to result in the waiver of any attorney-client privilege or the disclosure of any Trade Secrets or violate any Law or the terms of any applicable Contract to which Buyer or any of its Affiliates is a party. If Seller disagrees with any of Buyer's calculations set forth in the Closing Statement, Seller may, within thirty (30) days after delivery of the Closing Statement, deliver a written notice of its disagreement (a "**Post-Closing Notice of Disagreement**") to Buyer disagreeing with such calculations; provided, however, that such Post-Closing Notice of Disagreement shall include only objections based on whether (A) the amounts set forth on the Closing Statement were prepared in a manner consistent with the provisions of this Agreement or (B) there were mathematical errors in the computation of any amount set forth on the Closing Statement. Such Post-Closing Notice of Disagreement shall specify those items or amounts with which Seller disagrees, together with a reasonably detailed written explanation of the reasons for disagreement with each such item or amount, and shall set forth Seller's calculation, based on such objections, of the Closing Working Capital or the Assumed Indebtedness, as applicable, and the Purchase Price resulting therefrom. To the extent not set forth in such Post-Closing Notice of Disagreement, Seller shall be deemed to have agreed with Buyer's calculation of all items and amounts contained in the Closing Statement. If Buyer does not receive a Post-Closing Notice of Disagreement from Seller within such thirty (30) day period, then the amounts set forth in the Closing Statement shall become Final and Binding on Buyer and Seller.

(c) If a Post-Closing Notice of Disagreement is received by Buyer on or prior to the fifteenth (15th) day following Buyer's delivery of the Closing Statement, then Buyer and Seller shall, during the fifteen (15) days following Buyer's receipt of such Post-Closing Notice of Disagreement, seek to resolve any differences that they may have with respect to the matters specified in such Post-Closing Notice of Disagreement; provided, however, that any discussions relating thereto shall be governed by Rule 408 of the Federal Rules of Evidence and any applicable similar state rule(s), and evidence of such discussions shall not be admissible in any future Proceedings between Buyer and Seller. If Buyer and Seller are not able to resolve their differences during such fifteen (15) day period, then at the end of such period, Buyer and Seller shall promptly mutually engage and submit for Final and Binding resolution any and all matters related to such Post-Closing Notice of Disagreement that remain in dispute to [____], or if [____] is unable or unwilling to be engaged, then to a mutually agreeable independent accounting firm of recognized national standing (the "**Accounting Firm**"). Each of Buyer and Seller shall make readily available to the Accounting Firm all relevant financial books and records, including any accountants' work papers (subject to the execution of any access letters that such accountants may require in connection with the review of such work papers) relating to the Closing Statement or the Post-Closing Notice of Disagreement. Buyer and Seller shall enter into a customary engagement letter with the Accounting Firm, which engagement letter shall explicitly provide that, in resolving the amounts in dispute, the Accounting Firm shall (i) consider only those items or amounts disputed by Seller in the Post-Closing Notice of Disagreement that remain in dispute; (ii) not assign a value to any item or amount in dispute greater than the greatest value for such item or amount assigned by Seller, on the one hand, or Buyer on the other hand, or less than the smallest value for such item or amount assigned by Seller, on the one hand, or Buyer, on the other hand; and (iii) not be bound by any arbitration rules or procedures in connection with the resolution of the dispute under this Section 2.8. The Accounting Firm's determination will be based solely upon information presented by Buyer and Seller and not on the basis of independent review. Buyer and Seller shall cause the Accounting Firm to deliver to Buyer and Seller as promptly as practicable (but in any event within fifteen (15) days of its retention) a written report setting forth its determination of the amounts in dispute. Absent manifest error, the written report prepared by the Accounting Firm shall be Final and Binding on Buyer and Seller and judgment upon the determination set forth in such written report may be entered in any court of competent jurisdiction of the United States.

(d) Buyer and Seller shall each be responsible for the fees and expenses of the Accounting Firm pro rata, as between Buyer, on the one hand, and Seller, on the other hand, in proportion to the relative difference between the positions taken by Buyer and Seller compared to the determination of the Accounting Firm. All other fees and expenses incurred in connection with the dispute resolution process set forth in this Section 2.8, including fees and expenses of attorneys and accountants, shall be borne and paid by the Party incurring such expense.

(e) If the Purchase Price as finally determined pursuant to this Section 2.8 is less than the Estimated Purchase Price (the absolute value of such difference, the "**Closing Payment Shortfall Amount**"), then Buyer shall be paid an amount equal to the Closing Payment Shortfall Amount, at the option of Buyer, either (i) from the Escrow Account or (ii) from Seller. Within five (5) Business Days after the Final Resolution Date, Seller shall make, and/or Buyer and Seller shall direct the Escrow Agent to make, as applicable, any payment or release contemplated by this Section 2.8(e), in each case by wire transfer of immediately available funds to one or more accounts designated in writing by the applicable payee.

(f) If the Purchase Price as finally determined pursuant to this Section 2.8 is greater than the Estimated Purchase Price, then within five (5) Business Days after the Final Resolution Date, Buyer shall pay, or cause to be paid, to Seller an amount equal to the amount of such excess via wire transfer of immediately available funds to an account designated in writing by Seller.

(g) If the Purchase Price as finally determined pursuant to this Section 2.8 is equal to the Estimated Purchase Price, there will be no adjustment to the Purchase Price pursuant to this Section 2.8.

(h) Any payments made pursuant to this Section 2.8 shall be treated as an adjustment to the Purchase Price by the Parties for Tax purposes unless otherwise required by Law.

2.9 Proration.

(a) Seller and Buyer shall estimate as of the Effective Time and prorate at the Closing (i) any amounts as of the Effective Time that were paid by Seller prior to the Effective Time and that relate, in whole or in part, to periods ending after the Effective Time, (ii) any amounts as of the Effective Time that are to be paid by Buyer after the Effective Time and that relate, in whole or in part, to utilities servicing any of the Purchased Assets, including water, sewer, telephone, electricity and gas service, in each case to the extent not reflected in the Closing Working Capital or otherwise covered by Section 2.8. Any such amounts that are not available to be prorated on the Closing Date shall be similarly prorated as of the Effective Time as soon as practicable thereafter.

(b) Notwithstanding anything herein to the contrary, and without duplication of any amounts included in the determination of Closing Working Capital, all Property Taxes, if any, on the Purchased Assets shall be prorated by Buyer and Seller on the Closing Date as of the Effective Time. All such amounts to be prorated will be reflected on a Property Tax proration statement (the "Property Tax Statement") to be agreed upon by the Parties prior to the Closing Date. If necessary for such proration, payments for Property Taxes shall initially be determined based on the previous year's Property Taxes and shall later be adjusted to reflect the current year's Property Taxes when the Property Tax bills are finally rendered. Seller shall be liable for (and shall reimburse Buyer to the extent that Buyer shall have paid) that portion of Property Taxes relating to, or arising in respect of, periods ending prior to the Effective Time, and Buyer shall be liable for (and shall reimburse Seller to the extent Seller shall have paid) that portion of Property Taxes relating to, or arising in respect of, periods (or portions thereof) ending after the Effective Time, including any adjustments made after the Closing Date to the amounts reflected on the Property Tax Statement for the actual amount of Property Taxes as finally determined for the applicable period (taking into account any related fees and costs incurred by Buyer in such determination). The Parties shall cooperate to avoid, to the extent legally possible, the payment of duplicate Property Taxes, and each Party shall furnish, at the request of any other Party, proof of payment of any Property Taxes or other documentation that is a prerequisite to avoid payment of a duplicate Property Tax.

2.10 Withholding Rights. Without limiting any other provision of this Agreement, each of Buyer and the Escrow Agent shall be entitled to deduct and withhold from any consideration otherwise payable to any Person pursuant to this Agreement or any other Transaction Document such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code, or any other provision of applicable Tax Law. To the extent that such amounts are so withheld, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the applicable Person in respect to which such deduction and withholding was made.

2.11 Remittances.

(ix) (A) make loans or advances to, guarantees for the benefit of, or any investments in any Person or (B) cancel any Indebtedness owed to Seller or waive any claims or rights of value;

(x) make any change in the accounting policies, practices, principles, methods or procedures of the Business, other than as required by GAAP or by applicable Laws;

(xi) (A) accelerate or delay collection of notes receivable or accounts receivable in advance of or beyond its regular due dates or the dates when the same would have been collected in the ordinary course of business; (B) delay or accelerate payment of any account payable related to the Business in advance of or beyond its due date or the date such Liability would have been paid in the ordinary course of business; (C) make any changes to the cash management policies of any of the Hospital; (D) delay or postpone the repair or maintenance of the Hospital; or (E) vary any inventory purchase practices of any of the Hospital in any material respect from past practices;

(xii) make any capital expenditure commitment in excess of \$15,000 for additions to property, plant, equipment, intangible or capital assets of the Business or for any other purpose, other than for routine and customary repairs or replacement, the payment of which is to be made prior to the Closing Date;

(xiii) fail to keep in force the Insurance Policies or replacement or revised provisions providing insurance coverage with respect to the Purchased Assets or the Business as are currently in effect;

(xiv) take or omit to take any action that, individually or in the aggregate, could reasonably be expected to result in any representation or warranty of Seller to be untrue, result in a breach of any covenant made by Seller in this Agreement, would require disclosure pursuant to Section 6.4 or could reasonably be expected to result in any condition set forth in Article 8 not being satisfied;

(xv) enter into any new line of business or make any material change in the Business or the operation of the Purchased Assets;

(xvi) acquire (including by merger, consolidation, license or sublicense) any interest in any Person or material portion of the assets or business of any Person, or otherwise acquire any material asset other than in the ordinary course of business; or

(xvii) (A) make or change any election concerning Taxes; (B) file any amended Tax Return; (C) enter into any closing Contract or settle any Tax claim, or assessment; (D) consent to any extension or waiver of the limitation period applicable to any Tax claim Proceeding or assessment; or (E) omit to take any action relating to the filing of any Tax Return or the payment of any Tax in each case, relating to the Purchased Assets or the Business.

6.3 Consents to Assignment.

(a) Buyer, with Seller's assistance as requested by Buyer, shall be responsible for obtaining or delivering, and shall use commercially reasonable efforts to obtain or deliver, as applicable, prior to the Closing, any and all consents or notices to assign any Assumed Contract necessary or desirable in connection with the Contemplated Transactions; provided that Buyer shall be responsible for paying any necessary Cure Amounts as provided in Section 2.3(b) herein. Each Party shall cooperate

with the other as reasonably requested to obtain any such consents or deliver any such notices.

(b) Anything contained herein to the contrary notwithstanding, unless such Assumed Contract is assignable without the consent of any other party pursuant to the Bankruptcy Code or other applicable Law, this Agreement shall not constitute an agreement to assign any Assumed Contract if an attempted assignment thereof without the consent of another party thereto would constitute a breach thereof or in any material way adversely affect the rights of Seller thereunder (or the rights of Buyer thereunder following the Effective Time), unless such consent is obtained. If such consent is not obtained, or if an attempted assignment would be ineffective or would materially and adversely affect the rights of Seller thereunder (or the rights of Buyer thereunder following the Effective Time), then Seller shall, upon the request of Buyer, cooperate in any reasonable arrangement designed to provide for Buyer the benefits under any such Assumed Contract, including enforcement of any and all rights of Seller against the other party or parties thereto. To the extent Buyer cannot receive the benefit of an Assumed Contract due to the failure or inability to obtain the necessary consent from the counterparty to such Assumed Contract, then, at Buyer's option, such Contract shall be deemed an Excluded Contract, and all Liabilities with respect to such Contract shall be Excluded Liabilities. Notwithstanding anything contained in this Section 6.3(b) to the contrary, the Parties may mutually agree to assign an Assumed Contract to Buyer pursuant to the Assignment and Assumption Agreement notwithstanding the failure to obtain any consent thereto (the "Agreed Upon Assignments").

(c) If, prior to the Closing, Buyer discovers information regarding an Assumed Contract that causes Buyer to determine in its reasonable discretion that such Assumed Contract may violate applicable Laws or Buyer's written policies, Buyer shall have the right to designate such Assumed Contract as an Excluded Contract by giving Seller written notice of such election prior to the Closing Date, and as a result, such Contract shall be deemed an Excluded Contract.

6.4 Notification of Certain Matters.

(a) From the date of this Agreement until the Closing Date, Seller shall give prompt written notice to Buyer of (i) the occurrence, or failure to occur, of any event, circumstance or fact that is reasonably likely to cause any representation or warranty of Seller contained in this Agreement to be untrue in any material respect; (ii) any failure of Seller to comply with or satisfy, in any material respect, any covenant, condition or agreement to be complied with or satisfied by it under this Agreement; and (iii) any other material development affecting the Purchased Assets or the Assumed Liabilities. Such notice shall provide a reasonably detailed description of the relevant circumstances and shall include the amount that Seller believes, based on facts known to Seller, would be payable by Seller pursuant to the indemnification provisions set forth in Article 10. The content of any notice or update delivered by Seller to Buyer prior to the Closing Date pursuant to this Section 6.4 shall not be deemed to amend or supplement the Schedules or to modify the applicable representations, warranties and covenants contained in this Agreement or the other Transaction Documents for purposes of determining whether applicable conditions precedent in Article 8 are satisfied or for purposes of determining or calculating Seller's indemnification obligations set forth in Article 10.

(b) If (i) Seller discovers at any time following the date of this Agreement that any Material Contract exists that is not disclosed on Schedule 4.17(a) or any Contract exists that is not disclosed on Schedule 2.1(l); or (ii) Seller enters into a Contract between the date of this Agreement and the Closing Date that would be required to be disclosed on Schedule 4.17(a) or Schedule 2.1(l), then Seller shall promptly notify Buyer of such fact and provide Buyer with an accurate and complete copy of such Contract. Buyer may, in its sole discretion, designate such Contract either as an Assumed Contract or Excluded Contract, and if Buyer elects to treat such Contract as an Assumed Contract, the Parties shall update Schedule 2.1(l) accordingly.

6.5 Approvals. Between the date of this Agreement and the Closing Date, (a) Buyer, at its sole cost and expense, shall take all reasonable steps to obtain as promptly as practicable all Approvals and Permits necessary for Buyer's operation of the Business following the Effective Time, and (b) Seller, at its sole cost and expense, shall take all reasonable steps to obtain as promptly as practicable all Approvals and Permits necessary for Seller to transfer the Purchased Assets to Buyer. Notwithstanding the foregoing, Buyer and Seller agree to cooperate with each other and to provide such information and communications to each other or to any Governmental Authority as may be reasonably requested in order to obtain the Approvals and Permits contemplated above or otherwise necessary to consummate the Contemplated Transactions. Seller and Buyer will, and will cause their respective counsel to, supply to each other copies of all material correspondence, filings or written communications by such Party or its Affiliates with any Governmental Authority or staff members thereof, with respect to the Contemplated Transactions.

6.6 Title and Survey Matters.

(a) Buyer has received or will receive commitments (the "Commitments") from the Title Company to issue as of the Effective Time a Mississippi form owner's or lessee's, as appropriate, policy of title insurance with all endorsements, as reasonably required by Buyer (the "Title Policy") for the Owned Real Property and the Leased Real Property in which Seller owns a leasehold interest in the land relating to such Leased Real Property, together with appurtenant easements, improvements, buildings and fixtures thereon, in amounts equal to the value assigned to such Real Property by Buyer. The Parties agree that the Title Company shall be responsible for all underwriting decisions with respect to the policy or policies issued pursuant to the Commitments. The Commitments provide for the issuance of the Title Policy to Buyer as of the Effective Time and shall insure fee simple title to the Owned Real Property and a leasehold interest for the Leased Real Property in which Seller owns a leasehold interest in the land relating to such Leased Real Property, subject only to the Permitted Encumbrances and without standard exceptions. Seller will deliver any information as may be required by the Title Company under the requirements section of the Commitments or otherwise in connection with the issuance of the Title Policy. Seller will provide an affidavit of title and/or such other information as the Title Company may reasonably require in order for the Title Company to insure over the "gap" (i.e., the period of time between the effective date of the title insurance company's last checkdown of title to the Real Property and the Effective Time) and to cause the Title Company to delete all standard exceptions from the Title Policy and to provide mechanic's and materialmen's lien coverage.

(b) Buyer has received or will receive, at its expense, ALTA surveys of the land and improvements comprising the Owned Real Property and the Leased Real Property in which Seller owns a leasehold interest in the land relating to such Leased Real Property (collectively, the "Surveys") from a Mississippi-licensed surveyor selected by Buyer (the "Surveyor"). The legal descriptions of the surveyed Real Property created by the Surveyor shall be used to convey title to Buyer pursuant to the Deeds described in Section 3.2(a). The Surveys will comply in all respects with the minimum detail requirements of the ALTA/American Congress on Survey and Mapping as such requirements are in effect on the date of preparation of the Surveys and are sufficient for the Title Company to remove all standard survey exceptions from the Title Policy and issue a survey endorsement acceptable to Buyer. The Surveys are or will be certified to Buyer, the Title Company and to any other Person as Buyer directs.

(c) Buyer shall notify Seller within ten (10) Business Days after the later to occur of (i) the receipt of the last component of the Title Evidence, or (ii) the date of this Agreement, of any liens, claims, encroachments, exceptions or defects disclosed in the Title Evidence (collectively, the "Objections"). Seller shall, at its sole cost and expense, (A) cure the Objections on or before the Closing, (B) cause the Title Company to (1) delete the Objections from the Commitment, or (2) agree to add a provision, if available, to the Title Policy obligating the Title Company to protect the Buyer against all

Losses that may be incurred on account of each of the Objections. Notwithstanding the forgoing, Seller shall take all actions necessary to cure, or cause the Title Company to insure over, any monetary Encumbrances encumbering the Real Property. If Seller fails to cure any Objection in one of the manners provided above on or before the sixtieth (60th) day following Seller's receipt of notice of such Objection, the Buyer may (I) waive such Objection and close the Contemplated Transactions, subject to any satisfaction or waiver of the remaining closing conditions in Article 8 and Article 9, or (II) terminate this Agreement. Any matters shown by the Title Evidence to which Buyer does not object or which are waived by Buyer as herein provided shall be deemed to be Permitted Encumbrances. Notwithstanding anything contained in this Section 6.6(c) to the contrary, at the Closing, Seller will cause all mortgages, deeds of trust, mechanic's and materialmen's liens and other similar Encumbrances (other than Permitted Encumbrances) encumbering Seller's fee interest in the Real Property and arising by, through or under Seller or any Seller Affiliate, to be released.

6.7 Additional Financial Information. On or before the third business day of every week, Seller shall provide Buyer a weekly cash flow update which compares actual cash flows with projected cash flows filed with the Bankruptcy Court. Within fifteen (15) days following the end of each calendar month between the date of this Agreement and the Closing Date, Seller will deliver to Buyer copies of the unaudited consolidated balance sheets and the related unaudited consolidated statements of operations relating to the Business for each month then ended and any additional financial statements or information to the extent prepared in the ordinary course of business, including key volume and payor mix data, income statements and statements of cash flows. Such financial statements shall be prepared from and in accordance with the Books and Records of Seller, shall fairly present the financial position and results of operations of the Business as of the date and for the period indicated, and shall be prepared in accordance with GAAP, consistently applied, except that such financial statements need not include required footnote disclosures, nor reflect normal year-end adjustments or adjustments that may be required as a result of the Contemplated Transactions.

6.8 Closing Conditions. Between the date of this Agreement and the Closing Date, Seller and Buyer will use their commercially reasonable efforts to cause the conditions specified in Article 8 and Article 9 over which Seller, any Seller Affiliate, Buyer or any of its Affiliates, as applicable, have control to be satisfied as soon as reasonably practicable.

6.9 Interim Operating Reporting. During the period from the date of this Agreement until the Closing Date, Seller shall cause its Representatives to confer from time to time as requested by Buyer with one or more Representatives of Buyer to report material operational matters in respect of the Hospital and to report the general status of ongoing operations. Seller shall notify Buyer in writing of any adverse change in the financial position or earnings of the Hospital after the date of this Agreement and prior to the Closing Date and any unexpected emergency or other unanticipated change in the Hospital and of any complaints or Proceedings (or communications indicating that the same may be contemplated) by or on behalf of Governmental Authorities or of any other such matter and shall keep Buyer fully informed of such events.

6.10 Insurance Ratings. Seller will take all action reasonably requested by Buyer to enable Buyer to succeed to the Workmen's Compensation and Unemployment Insurance ratings of the Hospital and other ratings for insurance or other purposes established by Seller for the Hospital. Buyer shall not be obligated to succeed to any such rating, except as it may elect to do so.

6.11 Bulk Sales Law. Buyer and Seller hereby arise compliance with any provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction that may otherwise be applicable. Any Liabilities arising out of the failure of Seller to comply with the requirements and provisions of any such laws shall be treated as Excluded Liabilities.

6.12 Social Media Accounts. Immediately prior to the Closing Date, Seller shall grant Buyer exclusive access rights and permissions to the social media accounts owned or operated by Seller set forth on Schedule 4.16(a).

6.13 Marketing Activities. Seller will, and will allow the Seller Affiliates and their respective Representatives, only to market the proposed Purchased Assets: (i) between execution of this Agreement and entry of the Sales Procedures Order in a manner consistent with the proposed Bidding Procedures, and (ii) after the entry of the Sale Procedures Order, consistent with the Bidding Procedures.

6.14 Confidentiality.

(a) It is understood by the Parties that certain of their obligations under the Confidentiality Agreement will survive the execution and delivery of this Agreement until their expiration in accordance with the terms of the Confidentiality Agreement.

(b) Unless the prior written consent of the other Parties is obtained, except as otherwise required by applicable Laws, or in connection with the seeking of any Approval or Permit contemplated by this Agreement or any consent to the assignment of any of the Assumed Contracts or as reasonably necessary to satisfy any of the Parties' conditions or pre-Closing covenants, each of the Parties shall keep confidential and not disclose, and cause its Affiliates, its Representatives, and its Affiliates' Representatives to keep confidential and not disclose the terms and status of this Agreement and the other Transaction Documents, the Contemplated Transactions and the identity of the other Parties. Notwithstanding the foregoing, each of the Parties shall have the right to communicate and discuss with, and provide to, its respective Representatives, any information regarding the terms and status of this Agreement and the other Transaction Documents and the Contemplated Transactions.

(c) Prior to the Closing, unless otherwise required by applicable Laws (in which case the disclosing Party will use its commercially reasonable efforts to notify the non-disclosing Party of such disclosure), no Party shall make any public announcements in respect of this Agreement or the Contemplated Transactions or otherwise communicate with any news media in connection therewith without the prior written consent of the other Party. To the extent that any press releases or public announcements are to be issued or made following the Closing to patients, customers, vendors, and employees relating to the Contemplated Transactions the timing and content of such press releases and public announcements shall be determined jointly agreed to by Buyer and Seller.

(d) Notwithstanding the foregoing, (i) any Party may disclose Confidential Information received from any other Party in an action or Proceeding brought by a Party in pursuit of its rights or in exercise of its remedies hereunder, and (ii) disclosure of matters that become a matter of public record as a result of the Bankruptcy Case and the filings related thereto shall not constitute a breach of this Agreement or the Confidentiality Agreement.

6.15 Casualty. If any part of the Purchased Assets (including any Facility) is damaged, lost or destroyed (whether by fire, theft, vandalism or other cause or casualty), in whole or in part, prior to the Effective Time (such damaged, lost or destroyed assets, the "**Damaged Assets**"), Buyer may, at its option, (a) reduce the Purchase Price by the greater of (i) the fair market value of the Damaged Assets (such value to be determined as of the date immediately prior to such damage, loss or destruction) plus an amount equal to the estimated revenues in excess of expenses for the Hospital during any period of repair or reconstruction that extends beyond the Closing (the "**Estimated Business Loss**"), or (ii) the estimated cost to replace or restore the Damaged Assets plus an amount equal to the Estimated Business Loss, (b) require Seller to transfer the proceeds (or the right to the proceeds) of the applicable Insurance Policies covering the Damaged Assets (including the business interruption Insurance Policy covering the

Business) to Buyer at the Closing plus an amount equal to any deductibles paid or incurred by Seller, or (c) if the fair market value of the Damaged Assets is greater than \$2,000,000 or if a Facility has suffered material damage, terminate this Agreement. Any reduction in the Purchase Price pursuant to this Section 6.15 shall be determined by [Value Management Group L.L.C. d/b/a VMG Health], and the costs and expenses of such firm shall be paid by Seller. Until the Effective Time, Seller will bear all risk of loss with respect to the Damaged Assets.

6.16 Insurance Policies. Seller will obtain supplemental insurance policies (the “**Tail Policies**”) providing for extended reporting periods for claims made after the Effective Time in respect of events occurring prior to the Effective Time, in form and substance reasonably acceptable to Buyer, for any claims-made Insurance Policies held for the benefit of the Business, the Purchased Assets, the Hospital, or the Practitioners, including professional liability coverage, relating to all periods prior to the Effective Time, and to have the effect of converting such claims-made Insurance Policies into “occurrence based” coverage. Such Tail Policies shall extend for the greater available option of an indefinite period of time or the maximum time period permissible by each respective Insurance Policy and shall provide minimum coverage in an amount no less than the coverage currently maintained under the applicable Insurance Policy. Seller shall deliver to Buyer evidence of Seller’s purchase of the Tail Policies at least five (5) Business Days prior to the Closing Date. The cost of the Tail Policies shall be borne by Seller.]

(b) Seller shall deliver or cause to be delivered to Buyer for review and comment all documents to be filed by Seller with the Bankruptcy Court that relate to the transactions contemplated by this Agreement, as soon as commercially reasonable and in any event not less than one (1) Business Day prior to filing, including all motions, proposed orders, applications, and supporting papers prepared by Seller, prior to filing such documents. All motions, proposed orders, applications and supporting papers prepared by Seller and relating to the transactions contemplated by this Agreement to be filed by Seller following execution of this Agreement must be in form and substance acceptable to both Buyer and Seller.

(c) Seller shall use its best efforts to gain approval by the Bankruptcy Court of the purchase and sale of the Purchased Assets and the assumption and assignment of all Assumed Contracts and Assumed Liabilities contemplated hereby to the fullest extent required by Sections 363 and 365 and all other applicable provisions of the Bankruptcy Code within the terms of the Sale Procedures Order and Sale Order. The Sale Procedures Order shall only be amended with the approval of Buyer, which approval may be granted or withheld in Buyer’s sole discretion. Seller shall serve on all non-Seller counterparties to all of the Assumed Contracts a notice specifically stating that Seller may be seeking the assumption and assignment of such Assumed Contracts and shall notify such non-Seller counterparties of the deadline for objecting to the Cure Amounts stated in such notices, if any, which deadline shall not be less than ten (10) Business Days prior to the Sale Hearing.

(d) From and after the date hereof and until the Closing Date or the termination of this Agreement in accordance with Article 12, Seller shall not take any action which is intended to (or is reasonably likely to), or fail to take any action the intent (or the reasonably likely result) of which failure

to act is to, result in the reversal, voiding, modification or staying of the Sale Procedures Order or this Agreement. If Buyer is the Successful Bidder at the Auction, Seller shall not take any action which is intended to (or is reasonably likely to), or fail to take any action the intent (or the reasonably likely result) of which failure to act is to, result in the reversal, voiding, modification or staying of the Sale Order or this Agreement.

(e) This Agreement is subject to approval by the Bankruptcy Court.

(f) The Sale Procedures Order shall provide, *inter alia*, that in the event (i) the Bankruptcy Court approves a sale of all or some of the Purchased Assets with a buyer other than Buyer, (ii), Seller enters into a definitive agreement for an Alternative Transaction or (iii) Seller files a plan of reorganization that does not contemplate a sale of the Purchased Assets to Buyer, Seller shall be required to pay Buyer a fee in the amount of four percent (4%) of the Purchase Price (the “**Break-Up Fee**” or the “**Bid Protections**”). The Bid Protections shall be allowed superpriority administrative expense claims of Seller under Section 364(c)(1) of the Bankruptcy Code with priority over any and all administrative expenses of any kind, including, without limitation, those specified in Sections 503(b) and 507(b) of the Bankruptcy Code, and, if earned pursuant to subsection (i) above, shall be paid at closing from the sale proceeds prior to the payment of any other amounts. The Sale Procedures Order shall provide, in the event of an Auction, for an initial overbid protection in an amount equal to \$1,000,000 and minimum bid increments thereafter of \$100,000. The Sale Procedures Order shall provide that any Qualified Bid (as defined in the Sale Procedures Order) shall be a bid for all of the Purchased Assets and shall contemplate the same transaction form and structure as contemplated by this Agreement and the Contemplated Transactions. (v) due notice of the Sale Procedures Motion, Sale Procedures Order, the Sale Order, and this Agreement shall have been provided;

(vi) there shall be sufficient cause to lift the stay contemplated by Rules 6004(h) and 6006(d) of the Federal Rules of Bankruptcy Procedure with regards to the Contemplated Transactions; and

(vii) the Bankruptcy Court retains exclusive jurisdiction to interpret and enforce the provisions of this Agreement and the Sale Order in all respects.

7. ADDITIONAL AGREEMENTS.

7.1 Seller Employees.

(a) As of the Effective Time, Seller shall terminate or cause the Seller Affiliates to terminate all of the active Seller Employees. Subject to Buyer's standard employment screening and other criteria for eligibility to hire, Buyer (or a designated Affiliate thereof) will offer employment to substantially all active non-physician employees of the Business who are in good standing, in such positions and subject to such terms and conditions of employment as Buyer may determine, Buyer shall not assume any pension liability accruing prior to the Effective Time.

(b) The term "**Transferred Employee**" as used in this Agreement means a Seller Employee who accepts employment with Buyer Employer as of the Effective Time. The terms of all such Transferred Employees' employment with Buyer Employer shall be in accordance with the usual and customary practices of Buyer Employer and its Affiliates with respect to similarly-situated employees of Buyer Employer and its Affiliates working at comparable facilities operated by Buyer Employer and its Affiliates in the general area of the Hospital. Buyer Employer shall provide each Transferred Employee with employee benefits, including retirement, welfare and paid time off, substantially similar to similarly-situated employees of Buyer Employer and its Affiliates working at comparable facilities operated by Buyer Employer and its Affiliates in the general area of the Hospital. Buyer Employer agrees to recognize each Transferred Employee's date of hire by Seller or Seller Affiliate, as applicable, as the anniversary date of record with Buyer Employer and to honor that seniority for purposes of prospective benefit accrual under Buyer Employer's fringe benefit policies such as paid time off and short-term disability. Buyer Employer will waive the customary waiting periods under its welfare and 401(k) plans for the Transferred Employees and, subject to each Transferred Employee's election of coverage, participation in Buyer Employer's benefit plans shall begin as of the Effective Time (subject to any plan requirement that coverage begins only upon active employment) for each Transferred Employee who is in an eligible class as defined under the respective Buyer Employer benefit plans. To the extent lawful and subject to the approval of any applicable insurer, Buyer Employer shall honor the Transferred Employees' prior service credit under Seller's current welfare plans for purposes of satisfying pre-existing condition limitations in Buyer Employer's welfare benefit plans.

(c) Subject to the terms and conditions of Buyer Employer's applicable benefit plans, for each Seller Employee (other than any Seller Employee who is a Practitioner) who becomes a Transferred Employee, Buyer Employer shall carry over, and give credit for, the unused Paid Time Off of such Transferred Employee as of immediately prior to the Effective Time in an amount not to exceed 40 hours of Paid Time Off, but only to the extent that the Liability for such Paid Time Off is reflected as a current Liability in the calculation of Closing Working Capital (the aggregate number of hours of Paid Time Off assumed by Buyer Employer for all Transferred Employees pursuant to this Section 7.1(c), the "**Assumed Paid Time Off**"). At or before the Closing, Seller shall have paid out the Liability as of immediately prior to the Closing for all unused Paid Time Off in excess of the Assumed Paid Time Off assumed by Buyer Employer with respect to the Transferred Employees to such Transferred Employees.

(d) Prior to the Effective Time, Seller shall be solely responsible for complying with the WARN Act and any and all obligations under other applicable Laws requiring notice of plant closings, relocations, mass layoffs, reductions in force or similar actions (and for any failures to so comply), in any case, applicable to Seller Employees as a result of any action by Seller or any Seller Affiliate on or prior to the Effective Time, or following the Effective Time with respect to any Seller

Employee who does not become a Transferred Employee for any reason.

(e) With respect to each M&A qualified beneficiary (as defined in the regulations under COBRA), Seller or a Seller Affiliate shall retain the obligation for providing notices and continuation coverage under COBRA. Seller or a Seller Affiliate shall offer continuation coverage under the applicable Plan of Seller to the fullest extent required by COBRA. Seller shall timely provide Buyer with all necessary information, including the identity, applicable coverage and duration of coverage, as may be reasonably requested by Buyer in order to provide such continuation coverage.

(f) Prior to the Effective Time, Seller shall adopt any amendments and take all other action with respect to each defined contribution Plan qualified under Section 401 or 403 of the Code in which any Transferred Employee participates, (i) cause the account balance or accrued benefit of each Transferred Employee to become fully vested as of the Effective Time, and (ii) waive any employment or service conditions (including without limitation any requirement that a Transferred Employee be employed on a specific date or complete a minimum number of hours during any period) applicable to employer contributions under such Plan for the plan year in which the Effective Time occurs.

(g) As of the Effective Time, Seller will, at its expense or at the expense of the applicable Plan, (i) discontinue participation of the Transferred Employees in all applicable Plans, (ii) take such actions as are necessary to make, or cause such Plans to make, timely appropriate distributions to such Transferred Employees to the extent required or permitted by, and in accordance with, such Plans and applicable Laws, as determined by Seller and/or its counsel, and (iii) comply with all applicable Laws in connection with the foregoing. As of the Closing Date, Seller will have fully funded all benefits provided under any retirement, annuity, or custodial account Plan intended to be qualified under Sections 401 or 403 of the Code maintained or contributed to by Seller or any Seller Affiliate.

(h) Notwithstanding any provision herein to the contrary, no term of this Agreement shall be deemed to (i) create any Contract with any Transferred Employee, (ii) give any Transferred Employee the right to be retained in the employment of Buyer Employer or any of its Affiliates, (iii) interfere with Buyer Employer's right to terminate the employment of any Transferred Employee at any time, or (iv) obligate Buyer Employer or any of its Affiliates to adopt, enter into or maintain any employee benefit plan or other compensatory plan, program or arrangement at any time. Nothing in this Agreement shall diminish Buyer Employer's right to change or terminate its policies regarding salaries, benefits and other employment matters at any time or from time to time. The representations, warranties, covenants and agreements contained herein are for the sole benefit of the Parties, and the Transferred Employees are not intended to be and shall not be construed as beneficiaries hereof.

7.2 Post-Closing Access to Information. Buyer and Seller acknowledge that, subsequent to the Effective Time, Buyer and Seller may need access to information, documents or computer data in the control or possession of the other, and Seller may need access to records that are a part of the Purchased Assets for purposes of concluding the Contemplated Transactions and for audits, investigations, compliance with governmental requirements, regulations and requests, and the prosecution or defense of Third-Party Claims. Accordingly, Buyer agrees that, at the sole cost and expense of Seller, it will make available to Seller and its respective Representatives such documents and information as may be available relating to the Purchased Assets and the Business in respect of periods prior to the Effective Time and will permit Seller (or its respective Representatives) to make copies of such documents and information. Seller agrees that, at the sole cost and expense of Buyer, Seller will make available to Buyer and its Representatives such documents and information as may be in the possession of Seller or any Seller Affiliate relating to the Excluded Assets and will permit Buyer (or its Representatives) to make copies of such documents and information. In addition, Seller shall provide access to the books and records with respect to Pre-Closing Periods for the Hospital and Business for a minimum of three years subsequent to

the Closing.

7.3 Confidentiality; Non-Competition; Non-Solicitation; Non-Disparagement. In further consideration for the payment of the Purchase Price and in order to protect the value of the Purchased Assets purchased by Buyer (including the goodwill inherent in the Business as of the Effective Time), effective as of the Effective Time, Seller agrees as follows:

(a) Seller shall not use for itself or any other Person, or disclose to any other Person, any Confidential Information except to the extent such use or disclosure is (i) approved in writing in advance by Buyer, (ii) expressly permitted or required pursuant to the terms of this Agreement, or (iii) required by Law or any Order (in which event Seller shall inform Buyer in advance of any such required disclosure, shall cooperate with Buyer in all reasonable respects in obtaining a protective order or other protection in respect of such required disclosure and shall limit such disclosure to the extent reasonably possible while still complying with such requirements). Seller shall use commercially reasonable efforts to safeguard Confidential Information and to protect it against disclosure, misuse, espionage, loss and theft.

(b) Seller acknowledges that Seller has become, and following the date of this Agreement shall continue to be, familiar with Confidential Information. Therefore, during the Restricted Period, Seller shall not (and shall not take any steps to, or prepare to), and shall cause the Seller Affiliates not to, directly or indirectly, in any capacity, (i) develop, own, manage, control or exert any influence upon, acquire, lease, consult with, render or provide advice to, operate, affiliate with, participate in, permit its name to be used in connection with, receive any economic benefit from or in any other manner engage in any other similar activity or have any financial interest in, or otherwise provide any services to or for the benefit of, a Restricted Business within the Restricted Area, (ii) manage or provide management or consulting services to, or participate in the management or control of, or exert any influence upon, any Person involved in the development, construction, ownership or operation of any Restricted Business within the Restricted Area or (iii) own a direct or indirect interest (financial or otherwise) in, or lend or contribute money to, or otherwise provide financial support for, any Person that engages in any of the activities described in clauses (i) and (ii), above.

(c) During the Restricted Period, Seller shall not, and shall cause the Seller Affiliates not to, directly or indirectly, in any capacity, (i) encourage, induce, solicit or attempt to encourage, induce or solicit, any officer, director, manager, employee or independent contractor of Buyer Employer or any of Buyer Employer's Affiliates who works at, or provides services to, the Business, to leave the employ of Buyer Employer or any of Buyer Employer's Affiliates or terminate or diminish any relationship with Buyer Employer or any of Buyer Employer's Affiliates; provided, that the foregoing shall not apply to any general solicitation by Seller or any Seller Affiliate that is not directed specifically to any such Person; or (ii) hire, employ or contract with any Covered Person.

(d) From and after the date of this Agreement (both before and after the Effective Time or termination of this Agreement), Seller shall, and shall cause the Seller Affiliates to, instruct their officers, directors and employees not to, directly or indirectly, alone or in connection with any other Person, engage in any conduct or make any statement, whether in commercial or noncommercial speech, that disparages, criticizes or is injurious to the reputation of Buyer, any of its Affiliates, or any of its or their respective Representatives, managers, shareholders, members and principals.

(e) Seller recognizes that the covenants in this Section 7.3, and the territorial, time and other limitations with respect thereto, are reasonable and properly required for the adequate protection of the acquisition of the Purchased Assets by Buyer, including the Confidential Information, and agree and acknowledge that such limitations are reasonable with respect to Buyer's activities,

business and public purpose. Seller acknowledges and represents that: (i) sufficient consideration has been given by each Party to the other as it relates to the covenants set forth in this Section 7.3; (ii) the restrictions and agreements in this Section 7.3 are reasonable in all respects and necessary for the protection of Buyer and its Affiliates, the Confidential Information and the goodwill associated with the Business and that, without such protection, Buyer's customer and client relationships and competitive advantage would be materially adversely affected; and (iii) the agreements in this Section 7.3 are an essential inducement to Buyer to enter into this Agreement and they are in addition to, rather than in lieu of, any similar or related covenants to which Seller is party or by which it is bound. Seller agrees and acknowledges that the violation of the covenants or agreements in this Section 7.3 would cause irreparable injury to Buyer and its Affiliates and that monetary damages and any other remedies at law for any violation or threatened violation thereof would be inadequate, and that, in addition to whatever other remedies may be available at law or in equity, Buyer and its Affiliates shall be entitled to temporary and permanent injunctive or other equitable relief without the necessity of proving actual damages or posting a bond or other security. In addition, in the event of a breach or violation by Seller or any Seller Affiliate of this Section 7.3, the Restricted Period shall be tolled until such breach or violation has been duly cured.

(f) It is the intention of each Party that the provisions of this Section 7.3 shall be enforced to the fullest extent permissible under the Law and the public policies of the State of Mississippi and of any other jurisdiction in which enforcement may be sought, but that the unenforceability (or the modification to conform with such Laws or public policies) of any provisions hereof shall not render unenforceable or impair the remainder of this Agreement. Accordingly, if any term or provision of this Section 7.3 shall be determined to be illegal, invalid or unenforceable, either in whole or in part, this Agreement shall be deemed amended to delete or modify, as necessary, the offending provisions and to alter the balance of this Agreement in order to render the same valid and enforceable to the fullest extent permissible as aforesaid, with the maximum period, scope or geographical area permitted under applicable Laws being substituted for the period, scope or geographical area hereunder.

If Seller receives any Pass-Thru Payments from the Medicare program associated with the operations of the Hospital relating solely to periods after the Effective Time, Seller shall pay Buyer within ten (10) days of receipt an amount equal to such Pass-Thru Payment(s) received by Seller. (a) If an Indemnified Party seeks indemnification under this Article 10 with respect to any Proceeding or other claim brought against it by a third party (a "**Third-Party Claim**"), such

Indemnified Party shall promptly give written notice to the Indemnifying Party after receiving written notice of such Third-Party Claim; provided, however, that any failure to so notify or any delay in notifying the Indemnifying Party shall not relieve the Indemnifying Party of its obligations hereunder, except to the extent that the Indemnifying Party is materially prejudiced by such failure or delay. With respect to any Third-Party Claim that, if adversely determined, would entitle the Indemnified Party to indemnification pursuant to this Article 10, the Indemnifying Party shall be entitled, at its sole cost and expense, (i) to participate in the defense of such Third-Party Claim giving rise to the Indemnified Party's claim for indemnification or (ii) at its option (subject to the limitations set forth below), to assume control of such defense and appoint lead counsel reasonably acceptable to the Indemnified Party; provided, however, that as a condition precedent to the Indemnifying Party's right to assume control of such defense, it must first: (A) notify the Indemnified Party in writing within fifteen (15) days after the Indemnified Party has given notice of the Third-Party Claim that the Indemnifying Party will indemnify the Indemnified Party from and against the entirety of any Losses the Indemnified Party may suffer resulting from, arising out of, relating to, in the nature of, or caused by the Third-Party Claim in accordance with the terms of this Agreement (including the limitations set forth in Sections 10.1 and 10.2) and (B) furnish the Indemnified Party with evidence reasonably satisfactory to the Indemnified Party that the Indemnifying Party has sufficient resources to defend such Third-Party Claim and to satisfy its obligations to the Indemnified Party under this Article 10 in respect of such Third-Party Claim. Notwithstanding the foregoing, the Indemnifying Party shall not have the right to assume or continue control of the defense of any Third-Party Claim if such Third-Party Claim (I) seeks non-monetary relief, (II) involves criminal or quasi-criminal allegations or regulatory matters, (III) involves a claim that, if adversely determined, would be reasonably expected, in the good faith judgment of the Indemnified Party, to establish a precedent, custom or practice materially adverse to the continuing business interests or prospects of the Indemnified Party or the Business, (IV) involves a claim that, in the good faith judgment of the Indemnified Party, the Indemnifying Party has failed or is failing to vigorously prosecute or defend, or (V) results in, or could reasonably be expected to result in, under applicable standards of professional conduct, a conflict of interest between the Indemnifying Party and the Indemnified Party in respect of such Third-Party Claim (each of the foregoing, an "Exception Claim").

(b) In the event that (i) the Indemnifying Party does not or fails to elect to assume control of the defense of any Third-Party Claim in the manner set forth in Section 10.3(a) or (ii) such Third-Party Claim is, or at any time becomes, an Exception Claim, the Indemnified Party may defend against, and may consent to the entry of any judgment or enter into any settlement with respect to, such Third-Party Claim in any manner it may deem appropriate, and the fees and disbursements of the Indemnified Party's counsel shall be at the expense of the Indemnifying Party.

(c) If the Indemnifying Party is controlling the defense of any Third-Party Claim in accordance with Section 10.3(a), the Indemnified Party shall have the right to participate in the defense of such Third-Party Claim with counsel selected by it, subject to the Indemnifying Party's right to control the defense thereof, and the fees and disbursements of such counsel shall be at the expense of the Indemnified Party.

(d) Irrespective of which Party controls the defense of any Third-Party Claim, the other Parties will, and will cause their respective Affiliates to, reasonably cooperate with the controlling Party in such defense and make available to the controlling Party all witnesses, pertinent records, materials and information in such non-controlling Parties' possession or under its control relating thereto as is reasonably required by the controlling Party. The Parties agree that all communications between any Party and counsel responsible for or participating in the defense of any Third-Party Claim shall, to the extent possible, be made so as to preserve any applicable attorney-client or work-product privilege.

10.4 Notice of Non-Third-Party Claims. If an Indemnified Party seeks indemnification

under this Article 10 with respect to any matter which does not involve a Third-Party Claim, the Indemnified Party shall, promptly after becoming aware of the circumstance giving rise to the claim, give written notice to the Indemnifying Party of such claim for indemnification; provided, however, that any failure to so notify or any delay in notifying the Indemnifying Party shall not relieve the Indemnifying Party of its obligations hereunder. If the Indemnifying Party does not notify the Indemnified Party in writing within thirty (30) days from its receipt of the indemnity notice that the Indemnifying Party disputes such claim, the Indemnifying Party shall be deemed to have agreed to indemnify the Indemnified Party from and against the entirety of any Losses described in the indemnity notice. If the Indemnifying Party has delivered a written notice to the Indemnified Party within such thirty (30) day period disputing such claim, the Indemnifying Party and the Indemnified Party shall proceed in good faith to negotiate a resolution to such dispute. If the Indemnifying Party and the Indemnified Party cannot resolve such dispute within thirty (30) days after delivery of such written notice, such dispute shall be resolved in accordance with Section 13.4.

10.5 Manner of Payment. Any indemnification payment pursuant to this Article 10 shall be effected by wire transfer of immediately available funds to an account designated by Seller or Buyer, as the case may be, within five (5) Business Days after the determination of the amount thereof, whether pursuant to a final judgment, settlement or agreement between the Parties; provided, that, to the extent that all or any portion of any indemnification payment to be made to any Buyer Indemnified Party is to be satisfied through funds that remain available in the Escrow Account, Seller and Buyer shall, within five (5) Business Days after the determination of the amount thereof, deliver a joint written instruction to the Escrow Agent instructing the Escrow Agent to release the appropriate portion of the funds in the Escrow Account to an account designated by Buyer.

10.6 Determination of Loss Amount.

(a) The amount of any Losses subject to indemnification pursuant to this Article 10 shall be reduced or reimbursed, as the case may be, by any amount actually received by any Buyer Indemnified Party or any Seller Indemnified Party, as applicable, with respect thereto under any insurance coverage provided by any non-Affiliate third party or from any other party alleged to be responsible therefor (net of any deductible or co-payment, the Buyer Indemnified Parties' or Seller Indemnified Parties', as applicable, good faith estimate of any increase in insurance premiums attributable to such recovery and all out of pocket costs related to such recovery). The Buyer Indemnified Parties and the Seller Indemnified Parties, as applicable, shall use commercially reasonable efforts to collect any amounts available under such insurance coverage or from such other party alleged to have responsibility therefor; provided, that in no event shall the Buyer Indemnified Parties or the Seller Indemnified Parties have any obligation to file or commence any Proceeding to collect any such amounts. If a Buyer Indemnified Party or Seller Indemnified Party, as applicable, receives and is entitled to retain an amount under insurance coverage or from such other party with respect to Losses at any time subsequent to any indemnification provided by Seller pursuant to Section 10.1 or by Buyer pursuant to Section 10.2, then such Buyer Indemnified Party or Seller Indemnified Party, as applicable, shall promptly reimburse Seller or Buyer, as applicable, for any payment made by such Person in connection with providing such indemnification up to the amount received (net of any deductible or co-payment, and all out of pocket costs related to such recovery) by the Buyer Indemnified Party or Seller Indemnified Party, as applicable; provided, that in no event shall any Buyer Indemnified Party or Seller Indemnified Party, as applicable, have any obligation hereunder to remit to Buyer or Seller, as applicable, any portion of such insurance or other recoveries in excess of the indemnification payment or payments actually received from Buyer or Seller, as applicable, with respect to such Losses.

(b) To the extent that Seller has an indemnification obligation pursuant to this Article 10, any of the Buyer Indemnified Parties may set off the amount of such indemnification against any

amounts then due and unpaid to Seller by any of the Buyer Indemnified Parties pursuant to this Agreement or any other Transaction Document.

(c) For purposes of calculating the amount of Losses resulting therefrom to which a Buyer Indemnified Party or Seller Indemnified Party is entitled under this Article 10, the terms “material,” “materiality,” and similar qualifiers, modifiers, or limitations shall be disregarded.

(d) The right to indemnification of any Party pursuant to this Article 10, or the availability of any other remedies contemplated hereby or otherwise available to the such Party at law or in equity, based upon any representation, warranty, covenant, agreement or obligation contained in or made pursuant to this Agreement or any other Transaction Document will not be affected by any investigation made by or on behalf of any such Party or its Affiliates, or the knowledge of any such Party’s (or its Affiliates’) Representatives with respect to the accuracy or inaccuracy of, or compliance or non-compliance with, any such representation, warranty, covenant, agreement or obligation at any time prior to or following the date hereof.

10.7 Exclusive Remedy. The Parties agree that, from and after the Closing Date, the indemnification provisions set forth in this Article 10 are the exclusive provisions in this Agreement with respect to the Liability of Seller or Buyer for the breach, inaccuracy or nonfulfillment of any representation or warranty or any pre-Closing covenants, agreements or other pre-Closing obligations contained in this Agreement, and the sole remedy of the Buyer Indemnified Parties and the Seller Indemnified Parties for any claims for breach of any representation or warranty or pre-Closing covenants, agreements or other pre-Closing obligations arising out of this Agreement or any Law or legal theory applicable thereto; provided, that nothing herein shall preclude any Party from (a) seeking any remedy based upon fraud, intentional misrepresentation or willful or criminal misconduct by any other Party (including any fraud, intentional misrepresentation or willful or criminal misconduct committed by any officer, director, manager, employee or Representative in connection with the consummation of the Contemplated Transactions), (b) enforcing its right to specific performance of post-Closing covenants, agreements or other post-Closing obligations, including pursuant to Section 6.14, Section 7.3, Section 10.10, or equitable remedies or (c) seeking any remedy available to such Party under or in respect of the Transition Services Agreement or the Curae Restrictive Covenants Agreement, whether by their respective terms, at law or in equity.

10.8 Adjustment to Purchase Price. The Parties agree to treat any indemnification payment received pursuant to this Agreement for all Tax purposes as an adjustment to the Purchase Price to the extent permitted by applicable Laws.

10.9 Survival. All representations and warranties contained in or made pursuant to this Agreement or any other Transaction Document shall survive the execution and delivery of this Agreement or such other Transaction Document and the consummation of the Contemplated Transactions until the Survival Expiration Date. Notwithstanding anything herein to the contrary, Seller will not be liable with respect to any claim for indemnification pursuant to Section 10.1(a)(i), and Buyer will not be liable with respect to any claim for indemnification pursuant to Section 10.2(a)(i) unless written notice of such claim is delivered to Seller or Buyer, as the case may be, prior to the applicable Survival Expiration Date (if any). For purposes of this Agreement, the term “Survival Expiration Date” shall mean the date that is thirty-six (36) months after the Closing Date; provided, that:

(a) with respect to the Seller Fundamental Representations, the Buyer Fundamental Representations, and the Seller Significant Representations and those representations set forth in Section 4.20 (Real Property) and Section 4.26 (Environmental Matters), the Survival Expiration Date shall be the day after the expiration of the applicable statute of limitations, including any extensions thereto to the

extent that such statute of limitations is tolled, or five (5) years if there is no applicable statute of limitations.

For the avoidance of doubt, this Section 10.9 shall not affect any rights to bring claims after the Survival Expiration Date based on (A) any covenant or agreement of the Parties which contemplates performance after the Closing, (B) the obligations of Seller under Sections 10.1(a)(ii)-(iv), or (C) the obligations of Buyer under Sections 10.2(a)(ii)-(iv).

10.10 Escrow Release. Subject to the terms and conditions of this Agreement and the Escrow Agreement, within ten (10) Business Days following the date which is three (3) years after the Closing Date (the "Escrow Release Date"), Seller and Buyer shall deliver a joint written instruction to the Escrow Agent instructing the Escrow Agent to release to Seller (a) any funds remaining in the Escrow Account as of the Escrow Release Date (if any), minus (b) the aggregate amount of all unresolved (or resolved but unpaid) indemnification claims under this Article 10 asserted by the Buyer Indemnified Parties in accordance with this Article 10 as of the Escrow Release Date.

11. TAX MATTERS.

11.1 Allocation of Purchase Price. The Parties shall jointly prepare an allocation ("Allocation") of an amount totaling the sum of the (a) Purchase Price, (b) Assumed Liabilities and (c) all other capitalized costs under this Agreement among the Purchased Assets, in accordance with Section 1060 of the Code (and any similar provisions of state or local Law, as appropriate) and any appraisals and valuations obtained in connection with the Contemplated Transactions. The parties shall agree upon such Allocation no later than two (2) days prior to Closing Date. Buyer and Seller shall report and file all Tax Returns (including IRS Form 8594) in all respects and for all purposes consistent with such Allocation. Seller shall timely and properly prepare, execute, file and deliver all such documents, forms and other information as Buyer may reasonably request to assist in the preparation of such Allocation. Neither Buyer nor Seller shall take any position (whether in audits, Tax Returns or otherwise in connection with Tax matters) that is inconsistent with such Allocation, unless required to do so by applicable Laws.

11.2 Tax Returns.

(a) Seller shall prepare and file or cause to be prepared and filed on a timely basis all Tax Returns relating to the Purchased Assets and the Business with respect to all taxable periods ending prior to the Effective Time. Seller shall be responsible for and shall pay any Taxes arising or resulting from or in connection with the ownership of the Purchased Assets and operation of the Business for all taxable periods (or portion thereof) ending prior to the Effective Time. Seller shall not consent, without the prior written consent of Buyer, to any change in the treatment of any item with respect to the Purchased Assets or the Business that would affect the Tax Liability of Buyer after the Effective Time. Buyer shall prepare and file or cause to be prepared and filed on a timely basis all Tax Returns relating to the Purchased Assets and the Business with respect to all taxable periods ending after the Effective Time. Buyer shall be responsible for and shall pay any Taxes arising or resulting from or in connection with the ownership of the Purchased Assets and operation of the Business for all taxable periods (or portion thereof) ending after the Effective Time.

(b) Buyer shall prepare and file or cause to be prepared and filed all Tax Returns required to be filed with respect to the Purchased Assets and the Business for all taxable periods beginning prior to the Effective Time and ending after the Effective Time (a "Straddle Period"). Buyer shall notify Seller of Buyer's calculation of Seller's share of the Taxes for any such Straddle Periods and Seller shall pay to Buyer (in cash or other immediately available funds) the amount of Seller's share of the Tax Liability for the portion of the Straddle Period ending as of the Effective Time, as determined

pursuant to Section 11.2(c).

(c) In order to apportion appropriately any Taxes relating to a Straddle Period, the Parties shall, to the extent required or permitted under applicable Laws, treat the calendar day immediately preceding the day in which the Effective Time occurs as the last day of the taxable year or period for all Tax purposes. With respect to such prorated Taxes, the portion of any Taxes that are allocable to the portion of the Straddle Period ending on the calendar day immediately preceding the day in which the Effective Time occurs shall be: (i) in the case of Taxes that are imposed on a periodic basis, deemed to be the amount of such Taxes for the entire period multiplied by a fraction the numerator of which is the number of calendar days in the Straddle Period ending on (and including) the calendar day immediately preceding the day in which the Effective Time occurs and the denominator of which is the number of calendar days in the entire relevant Straddle Period; and (ii) in the case of Taxes not described in (i) (such as (A) Taxes that are based upon or measured by income or receipts or imposed in connection with any sale or other transfer or assignment of property (real or personal, tangible or intangible) and (B) payroll and similar Taxes), deemed equal to the amount that would be payable if the taxable year or period ended on the calendar day immediately preceding the day in which the Effective Time occurs.

11.3 Cooperation. Following the Closing, the Parties shall cooperate with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to Tax Liabilities or potential Tax Liabilities with respect to the Purchased Assets or the Business for all periods, and shall preserve all such information, records and documents (to the extent not a part of the Purchased Assets or the Business delivered by Seller at the Closing) at least until the expiration of any applicable statute of limitations or extensions thereof. Seller further agrees, upon request of Buyer, to use its reasonable best efforts to obtain any certificate or other document from any Governmental Authority or any other Person as may be necessary to mitigate, reduce or eliminate any Taxes that could be imposed on Buyer or the Purchased Assets and the Business (including with respect to the Contemplated Transactions).

11.4 Tax Proceedings. After the Effective Time, with respect to any Proceeding relating to Taxes with respect to the Purchased Assets (collectively, a "**Tax Proceeding**") for any taxable period ending after the Effective Time, such Tax Proceeding shall be controlled by Buyer. For any Tax Proceeding for any Straddle Period, Buyer shall notify Seller of such Tax Proceeding, and Seller may (at its sole cost and expense) participate in the defense of such Tax Proceeding that is controlled by Buyer.

11.5 Transfer Taxes. All Transfer Taxes incurred in connection with the Contemplated Transactions shall be paid by Buyer, and all necessary Tax Returns and other documentation with respect to such Transfer Taxes shall be prepared and filed by the Party required to file such Tax Returns under applicable Laws.

12. TERMINATION.

12.1 Termination. Without prejudice to other remedies which may be available to the Parties, this Agreement may be terminated and the Contemplated Transactions may be abandoned at any time prior to the Closing as follows:

- (a) By mutual written consent of Buyer and Seller;
- (b) By Buyer, if Buyer is not satisfied with its due diligence concerning the Hospital or the Business in its sole discretion at any time up to the Due Diligence Deadline for potential bidders provided for in the Sale Procedures Order;

(c) By Buyer, if Buyer is not satisfied in its sole discretion that the Assumed Contracts can be assumed and assigned for less than the Cure Cap;

(d) By either Buyer or Seller upon delivery of written notice to the other if the Closing has not occurred on or before 5:00 p.m., Central Time, on December 31, 2018 (the "End Date"); provided, that neither Buyer nor Seller will be entitled to terminate this Agreement pursuant to this Section 12.1(d) if such Person's material breach of, or material failure to fulfill any obligation under, this Agreement or any other Transaction Document has been the principal cause of the failure of the Closing to occur on or prior to such time on the End Date;

(e) By Buyer upon delivery of written notice to Seller, if there has been a breach of any representation, warranty, covenant or agreement made by Seller in this Agreement or in any other Transaction Document, which breach (i) would give rise to the failure of a condition set forth in Article 8 to be satisfied and (ii) (A) cannot be cured by the End Date or (B) if capable of being cured, shall not have been cured by the earlier of (1) fifteen (15) calendar days following receipt of written notice from Buyer of such breach or (2) the date that is three (3) calendar days prior to the End Date;

(f) By Seller upon delivery of written notice to Buyer, if there has been a breach of any representation, warranty, covenant or agreement made by Buyer in this Agreement or in any other Transaction Document, which breach (i) would give rise to the failure of a condition set forth in Article 9 to be satisfied and (ii) (A) cannot be cured prior to the End Date or (B) if capable of being cured, shall not have been cured by the earlier of (1) fifteen (15) calendar days following receipt of written notice from Seller of such breach or (2) the date that is three (3) calendar days prior to the End Date;

(g) By either Buyer or Seller upon delivery of written notice to the other if any Governmental Authority shall have issued or entered any Order, enacted any Law or taken any other action which, in any such case, (i) permanently restrains, enjoins or otherwise prohibits the consummation of all or any of the Contemplated Transactions, (ii) would prevent the Closing from occurring as contemplated by this Agreement on or prior to the applicable time on the End Date or (iii) has had or would reasonably be expected to have a Material Adverse Effect; provided, that neither Buyer nor Seller will be entitled to terminate this Agreement pursuant to this Section 12.1(f) if the issuance or entry of such Order is principally caused by such Person's material breach of, or material failure to fulfill any obligation under, this Agreement or any other Transaction Document;

(h) By Buyer upon delivery of written notice to Seller if a Material Adverse Effect shall have occurred;

(i) By Buyer in accordance with Section 6.6(c) or 6.15;

(j) By Seller upon delivery of written notice to Buyer if Seller accepts and the Bankruptcy Court approves an Alternative Transaction; or

(k) By Buyer upon delivery of written notice to Seller if:

(i) any secured creditor of Seller obtains relief from the automatic stay or is otherwise permitted to foreclose on any of the Purchased Assets;

(ii) the Sale Procedures Order is not entered by September 30, 2018;

(iii) the Sale Order is not entered by November 30, 2018;

(iv) Seller shall not have obtained the assignment of the employment agreements of all Physicians pursuant to Section 6.3;

(v) the assignment or reconciliation of any past due amounts owed to any vendor or providers of medical services shall not have been obtained to Buyer's sole satisfaction;

(vi) Seller seeks to have the Bankruptcy Court enter an Order dismissing, or converting into cases under chapter 7 of the Bankruptcy Code, any of the cases commenced by Seller under chapter 11 of the Bankruptcy Code and comprising part of the Bankruptcy Case, or appointing a trustee in the Bankruptcy Case or appointing a responsible officer or an examiner with enlarged powers (other than a fee examiner) relating to the operation of Seller's businesses pursuant to Section 1104 of the Bankruptcy Code, or such an order of dismissal, conversion or appointment is entered for any reason; or

(vii) (A) Seller enters into a definitive agreement with respect to an Alternative Transaction, (B) the Bankruptcy Court approves an Alternative Transaction or (C) Seller accepts an Alternative Transaction as the winning bid at Auction.

12.2 Effect of Termination. Subject to the provisions of this Section 12.2, the rights of termination set forth above are in addition to any other rights a terminating Party may have under this Agreement and the other Transaction Documents, and the exercise of a right of termination will not be an election of remedies. Notwithstanding the foregoing sentence, in the event of any termination of this Agreement by either Buyer or Seller as provided in Section 12.1, this Agreement shall forthwith become void, and there shall be no Liability on the part of any Party or any of its or their Affiliates to any other Person resulting from, arising out of, relating to, or in connection with this Agreement or any other Transaction Document, except that (a) nothing in this Agreement or any other Transaction Document will relieve any Party from any material breach of this Agreement or any other Transaction Document prior to such termination or for fraud, intentional misrepresentation or willful or criminal misconduct, (b) Section 6.14 (Confidentiality), and Article 13 (General) and any pre-termination breaches of such provisions shall survive any termination of this Agreement and each Party shall be entitled to all remedies available at law or in equity in connection with any past or future breach of any such provision and (c) Seller's obligations to pay Buyer the Break-Up Fee and the Expense Reimbursement if approved in the Sale Procedures Order shall survive any termination of this Agreement.

13.2 Legal Fees and Costs of Disputes. In the event a Party incurs legal expenses to enforce or interpret any provision of this Agreement by mediation, arbitration or judicial means, the prevailing Party will be entitled to recover such legal expenses, including attorney's fees, costs and necessary disbursements, in addition to any other relief to which such Party shall be entitled.

13.3 Choice of Law. Except to the extent the mandatory provisions of the Bankruptcy Code apply, the Parties agree that this Agreement shall be governed by and construed in accordance with the applicable Laws of the State of Mississippi without giving effect to any choice or conflicts of law provision or rule thereof that would result in the application of the applicable Laws of any other jurisdiction other than the applicable Laws of the United States of America, where applicable.

13.4 Arbitration. The Parties agree that the Bankruptcy Court shall have exclusive jurisdiction over all disagreements, disputes or claims arising out of or relating to this Agreement or the Contemplated Transactions that cannot be settled by the relevant Parties, including any claims for injunctive relief. If the Bankruptcy Case has closed or if the Bankruptcy Court otherwise declines to exercise jurisdiction, the Parties agree that all disagreements, disputes or claims arising out of or relating to this Agreement or the Contemplated Transactions that cannot be settled by the relevant Parties, including any claims for injunctive relief, shall be settled by arbitration in accordance with the provisions set forth below.

- (a) Forum. The forum for arbitration shall be Nashville, Tennessee.
- (b) Law. The governing Law shall be the Law of the State of Mississippi.

(c) Administration. The arbitration shall be administered by the American Arbitration Association (“AAA”).

(d) Selection; Notice. In the case of one or more claims or disputes under this Agreement for which the amount in controversy, whether for an individual claim or dispute or in the aggregate as to multiple claims or disputes, is less than \$500,000.00, the Parties agree to submit such claims or disputes to a single arbitrator, to be chosen in the manner prescribed below. In the event the amount in controversy, whether for an individual claim or dispute or in the aggregate as to multiple claims or disputes between the Parties, is \$500,000.00 or more, or, in the event the Parties do not agree as to whether such amount in controversy is \$500,000.00 or more, the Parties agree to submit such claims or disputes to a board of arbitrators consisting of three arbitrators, as set forth below (the term “Arbitrators” shall refer to the board of arbitrators or the single arbitrator, as applicable). For the avoidance of doubt, in determining the aggregate amount in controversy for purposes of the two preceding sentences, in the event that there are multiple claims or disputes such claims or disputes need not be related, including as to the same subject matter, the same provisions of this Agreement or the same set of facts.

(i) If any Person determines to submit a dispute for arbitration pursuant to this Section 13.4, such Person shall furnish the other Parties to the dispute with a dated, written statement (the “Arbitration Notice”) indicating (A) such Person’s intent to commence arbitration Proceedings, (B) the nature, with reasonable detail, of the dispute and (C) the remedy or remedies such Person will seek.

(ii) Where the Parties use a single arbitrator, within twenty (20) days of the Arbitration Notice, the Parties shall select a single arbitrator from a list of members of the AAA’s National Panel of Commercial Arbitrators. Such arbitrator must be “neutral” and must have at least ten (10) years’ experience in merger and acquisition transactions. If the Parties do not reach agreement on the selection of a single arbitrator within the twenty (20) day period, the AAA shall have the right to make such selection upon the request of any Party to the arbitration Proceedings. Where the Parties use a board of arbitrators, within twenty (20) days of the date of the Arbitration Notice, the Person commencing the arbitration (collectively, the “Petitioner”) and the Party with whom the Petitioner has its dispute (collectively, the “Respondent”) shall each select one neutral arbitrator (and provide written notice of such selection to the Respondent and Petitioner). If either the Petitioner or Respondent fails to select a neutral arbitrator or provide such notice within the twenty (20) day period, the AAA shall have the right to make such selection upon the request of any Party to the arbitration Proceedings. (Such qualifying arbitrators hereafter may be referred to, respectively, as the “First Arbitrator” and the “Second Arbitrator”). Within ten (10) days following their selection, the First and Second Arbitrator shall select (and provide written notice to the Respondent and the Petitioner of such selection) a third arbitrator (the “Third Arbitrator”) from a list of members of the AAA’s National Panel of Commercial Arbitrators. The Third Arbitrator must be “neutral” and must have at least ten (10) years’ experience in merger and acquisition transactions. For purposes of this Section 13.4, a “neutral” arbitrator shall be a Person who would not be subject to disqualification under rule No. 18 of the AAA Rules.

(e) Rules. The rules of arbitration shall be the Commercial Arbitration Rules of the AAA, as modified by any other instructions that the Parties may agree upon at the time, except that each Party shall have the right to conduct discovery in any manner and to the extent authorized by the Federal Rules of Civil Procedure as interpreted by the United States District Court for the Middle District of Tennessee. The Arbitrators shall not modify the terms of this Agreement.

(f) Award. The award rendered by arbitration shall be Final and Binding upon the Parties, and judgment upon the award may be entered in any court of competent jurisdiction of the United States. The Arbitrators shall have authority to award legal fees and associated costs to the Party that substantially prevails in any arbitration Proceeding.

13.5 Benefit; Assignment; Delegation. Subject to provisions herein to the contrary, this Agreement shall inure to the benefit of and be binding upon the Parties and their respective legal representatives, successors and permitted assigns and delegates. No Party may assign any of its rights hereunder or delegate any of its duties hereunder without the prior written consent of the other Parties; provided, however, that Buyer, without the prior consent of Seller, may assign any of its rights hereunder or delegate any of its duties hereunder to Buyer's Affiliates, or, for collateral security purposes, to Persons providing financing to Buyer or its Affiliates, but in such event, Buyer shall be required to remain obligated hereunder in the same manner as if such assignment or delegation had not been effected.

13.6 Waiver of Jury Trial. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE CONTEMPLATED TRANSACTIONS.

13.7 Legal Advice and Reliance. Except as expressly provided in this Agreement, none of the Parties (nor any of the Parties' respective Representatives) has made or is making any representations to any other Party (or to any other Party's Representatives) concerning the consequences of the Contemplated Transactions under applicable Laws, including Tax-related Laws or under the Laws governing the Government Programs. Except for the representations and warranties made in this Agreement, each Party has relied solely upon the Tax, Government Program and other advice of its own Representatives engaged by such Party and not on any such advice provided by any other Party.

13.8 Reproduction of Documents. This Agreement and the other Transaction Documents, including (a) consents, waivers and modifications which may hereafter be executed, (b) the documents delivered at the Closing, and (c) financial statements, certificates and other information previously or hereafter furnished to Seller or to Buyer, may, subject to the provisions of Section 6.14 and Section 7.3(a), be reproduced by Seller and by Buyer by any photographic, photostatic, microfilm, micro-card, miniature photographic or other similar process, and Seller and Buyer may destroy any original documents so reproduced. Seller and Buyer agree and stipulate that any such reproduction shall be admissible in evidence as the original itself in any judicial, arbitral or administrative Proceeding (whether or not the original is in existence and whether or not such reproduction was made by Seller or Buyer in the regular course of business) and that any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence.

13.9 Cost of Transaction. Except as otherwise provided herein, the Parties agree as follows:

(a) whether or not the Contemplated Transactions shall be consummated, Seller will pay (i) the fees, expenses and disbursements of Seller and its respective Representatives incurred in connection with the subject matter hereof and any amendments hereto; and (ii) recording fees and similar Closing costs relating to the transfer of the Real Property; and

(b) whether or not the Contemplated Transactions shall be consummated, Buyer will pay (i) the fees, expenses and disbursements of Buyer and its Representatives incurred in connection with the subject matter hereof and any amendments hereto; (ii) any and all costs related to any due diligence investigations conducted by Buyer; and (iii) the fees and expenses associated with any documentary stamps, Transfer Taxes, and similar Closing costs relating to the transfer of the Real Property, the Commitments and the Title Policy;

13.10 Waiver of Breach. The waiver by any Party of a breach or violation of any provision of this Agreement shall not operate as, or be construed to constitute, a waiver of any subsequent breach of the same or other provision hereof.

13.11 Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Law, and if the rights or obligations of Buyer, Curae, or Seller under this Agreement will not be materially and adversely affected thereby, (a) such provision will be fully severable, (b) this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom, and (d) in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible.

13.12 No Inferences; Sophisticated Parties. Each Party acknowledges and agrees to the following: (a) all of the Parties are sophisticated and represented by experienced healthcare and transactional counsel in the negotiation and preparation of this Agreement; (b) this Agreement is the result of lengthy and extensive negotiations between the Parties and an equal amount of drafting by all Parties; (c) this Agreement embodies the justifiable expectations of sophisticated parties derived from arm's-length negotiations; and (d) no inference in favor of, or against, any Party shall be drawn from the fact that any portion of this Agreement has been drafted by or on behalf of such Party.

13.13 Divisions and Headings of this Agreement. The divisions of this Agreement into sections and subsections and the use of captions and headings in connection therewith are solely for convenience and shall have no legal effect in construing the provisions of this Agreement.

13.14 No Third-Party Beneficiaries. The terms and provisions of this Agreement are intended solely for the benefit of Buyer, Curae, Seller, the Seller Indemnified Parties with respect to Article 10, the Buyer Indemnified Parties with respect to Article 10, and such parties' respective permitted successors, assigns, or delegates, and it is not the intention of the Parties to confer, and, this Agreement shall not confer, third-party beneficiary rights upon any other Person.

13.15 Entire Agreement; Amendment. This Agreement, together with the other Transaction Documents and the Confidentiality Agreement, represent the entire agreement between the Parties with respect to the subject matter of this Agreement and supersede all prior or contemporaneous oral or written understandings, negotiations, letters of intent or agreements between the Parties. This Section 13.15 shall be deemed a "merger" clause under Mississippi Law, and this Agreement (together with the other Transaction Documents and the Confidentiality Agreement) is intended as a complete integration of the agreement of the Parties. No modifications of, amendments to, or waivers of any rights or duties under this Agreement shall be valid or enforceable unless and until made in writing and signed by all Parties.

13.16 Multiple Counterparts. This Agreement may be executed in any number of counterparts, each and all of which shall be deemed an original and all of which together shall constitute but one and the same instrument. The facsimile signature of any Party or other Person to this Agreement or any other Transaction Document or a PDF copy of the signature of any Party or other Person to this Agreement or any other Transaction Document delivered by electronic mail for purposes of execution or otherwise, is to be considered to have the same binding effect as the delivery of an original signature on an original contract.

13.17 Other Owners of Purchased Assets. The Parties acknowledge that certain Purchased Assets may be owned by one or more Seller Affiliates rather than Seller. Notwithstanding the foregoing, and for purposes of all representations, warranties, covenants and agreements contained herein, Seller and Curae each agree that (a) its obligations with respect to any Purchased Assets shall be joint and several with any Seller Affiliate which owns or controls such Purchased Assets, (b) the representations and

warranties herein, to the extent applicable, shall be deemed to have been made by, on behalf of and with respect to, such Seller Affiliates in their ownership capacity, and (c) it has the legal capacity to cause, and it shall cause, any Seller Affiliate that owns or controls any Purchased Assets to meet all of Seller's and Curae's obligations under this Agreement with respect to such Purchased Assets. Seller and Curae each hereby waive any defense to a claim made by Buyer under this Agreement based on the failure of any Person who owns or controls the Purchased Assets to be a Party.

14. GOVERNING LAW. The parties agree that this Agreement shall be governed by and construed in accordance with the laws of the State of Mississippi, without regard to conflict of laws principles.

15. TIME PERIOD FOR COMPLETING SCHEDULES AND EXHIBITS. Notwithstanding anything herein to the contrary, the Parties shall complete the attached complete schedules and exhibits, as well as any blanks to be filled in, in a mutually satisfactory manner on or before September 24, 2018.

PLEASE TAKE FURTHER NOTICE that the Gilmore APA contemplates, and the proposed order approving the Sale, if entered, shall authorize and approve, the assumption and assignment of certain Contracts and Leases, pursuant to section 365 of the Bankruptcy Code.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are Curae Health, Inc. (5638); Amory Regional Medical Center, Inc. (2640); Batesville Regional Medical Center, Inc. (7929); and Clarksdale Regional Medical Center, Inc. (4755); Amory Regional Physicians, LLC (5044); Batesville Regional Physicians, LLC (4952); Clarksdale Regional Physicians, LLC (5311).

² Capitalized terms used in this notice and not otherwise defined shall have the meanings ascribed to them in the Sale Procedures Motion.

PLEASE TAKE FURTHER NOTICE that the Debtors maintain a schedule of Contracts and Leases the Debtors may assume and assign in connection with the Sale and you are receiving this notice because you are a party to one or more of the Contracts and Leases the Debtor may assume and assign in connection with the Sale.

PLEASE TAKE FURTHER NOTICE that receipt of this notice does not guarantee that the Contract or Lease to which you are party will ultimately be assumed and assigned, because the party ultimately purchasing the Gilmore Hospital pursuant to the Gilmore APA reserves the right to exclude any assumable executory contract or unexpired lease; however,

1. Please review the cure amounts set forth on **Exhibit 1** to this notice for your Contract or Lease.

2. If you agree with the respective cure amount on **Exhibit 1** and otherwise do not object to the Debtors' assumption and assignment of your Contract or Lease, you are not required to take any further action.

3. Objections, if any, to the proposed assumption and assignment of a Contract or Lease (each, an "***Assumption Objection***"), including objections to cure amounts, must be made in writing and filed with the United States Bankruptcy Court so as to be received no later than ten (10) days after the date of this notice (the "***Objection Deadline***") by (a) the Debtors, (b) Ryan K. Cochran, Waller Lansden Dortch & Davis, LLP, 511 Union Street, Suite 2700, Nashville, Tennessee 37219, ryan.cochran@wallerlaw.com, (c) counsel to MidCap Financial, c/o David E. Lemke, Waller Lansden Dortch & Davis, LLP, 511 Union Street, Suite 2700, Nashville, Tennessee 37219, david.lemke@wallerlaw.com, and (d) counsel ServisFirst Bank, David G. Thompson, Neal & Harwell, PLC, 1201 Demonbreun Street, Suite 1000, Nashville, Tennessee 37203, dthompson@nealharwell.com.

4. If a timely Assumption Objection is filed solely as to the cure amount (a "***Cure Objection***"), then the Contract or Lease shall nevertheless be assumed and assigned to the purchaser of the Gilmore Hospital upon the closing of the Sale, the purchaser shall pay the undisputed portion of the cure amount on or as soon as reasonably practicable after the closing of the Sale, and the disputed portion of the cure amount shall be paid as soon as practicable after the resolution of the dispute, either through good faith discussion or with the aid of the court.

5. If a timely Assumption Objection is filed that objects to the assumption and assignment on a basis other than the cure amount, the Debtors, the purchaser, and the objecting non-debtor party to the Contract or Lease shall meet and confer in good faith to attempt to resolve any such objection without intervention by the court; however, if the Debtors determine that the objection cannot be resolved without judicial intervention, then at the discretion of the Debtors and the purchaser, the objection shall be determined by the court at the Sale Hearing or such other date as determined by the court. If the court determines at such hearing that the Contract or Lease subject to the Assumption Objection should not be assumed and assigned, then such Contract or Lease shall not be assumed or assigned to the purchaser.

6. If the Debtors, the purchaser, and the non-debtor counterparty to a Contract or Lease resolves any Assumption Objection, they shall enter into a written stipulation, which

stipulation is not required to be filed with or approved by the court and shall not be assigned to the purchaser.

PLEASE TAKE FURTHER NOTICE that, unless an Assumption Objection is filed on or before the Objection Deadline, you shall be deemed to have consented to the assumption and assignment of your Contract or Lease and the associated cure amount, and you shall be forever barred from objecting to the cure amount and from asserting any additional cure or other amounts against the Debtors, their estates, or the purchaser.

PLEASE TAKE FURTHER NOTICE that, up to the date that is thirty (30) days following the closing of the Sale, or such other date as mutually agreed upon by the purchaser and Debtors (the “**Designation Deadline**”), the purchaser may, in its sole discretion, subject to certain limitations specified in the Gilmore APA, exclude any Contract or Lease by providing notice to the Debtors and you. Upon such designation, the Contract or Lease excluded by the purchaser shall not be deemed to be, or to have been, assumed or assigned, and shall remain subject to assumption, rejection, or assignment by the Debtors.

PLEASE TAKE FURTHER NOTICE that the Debtors’ decision to assume and assign a Contract or Lease is subject to approval by the court and consummation of the Sale and, absent such approval and consummation, no Contract or Lease will be assumed or assigned to the purchaser and shall in all respects remain subject to further administration by the court in accordance and subject to the Bankruptcy Code.

PLEASE TAKE FURTHER NOTICE that, upon approval by the court and consummation of the Sale, all Contracts and Leases to be assumed and assigned by the Debtors to the purchaser shall be assumed and assigned to the purchaser on the date (the “**Assumption Effective Date**”) that is the later of (a) the date following expiration of the Objection Deadline, if no Assumption Objection is filed, and (b) the entry of an order by the court authorizing the assumption and assignment of such Contract or Lease.

PLEASE TAKE FURTHER NOTICE that, until the Assumption Effective Date, assumption and assignment of any Contract or Lease is subject to the purchaser’s rights to add or exclude any Contract or Lease.

PLEASE TAKE FURTHER NOTICE that this notice and the terms set forth in this notice are subject in all respects to the terms and conditions of the Sale Procedures Motion and the court’s orders approving the Sale Procedures Motion and Sale.
